Tk 1,666,2.38 crore. Three ROU field offices would be established at Pakulla of Tangail, Mokamtola of Bogura and Islampur of Rangpur, and its headquarters at RHD's Mirpur office.

Three axle-load control stations would be established at Pakulla, Bogura's Mohastan and Islampur.

The stations would have a "weighin motion system", implying that the equipment would be able to weigh any running vehicle (moving at a speed of 60 km per hour), said Waliur Rahman, director of SASEC-2 road improvement project and also RHD additional chief engineer.

Vehicles would not require to be halted at stations. However, a barrier would be raised if any vehicle carry more than the permitted level of

Overloading is considered one of the major reasons behind the damage of roads and bridges. Only two axleload control stations are currently operational on Dhaka-Chattogram highway. The joint-venture firm will install ITS for efficiently managing and monitoring the highway.

Under ITS, modern information and communication technologies are used to facilitate transport infrastructure and vehicles to improve traffic management and safety and reduce traffic jams and road maintenance costs, said

RHD is set to introduce ITS for the first time on a pilot basis on a 40-km section of Dhaka-Mawa Expressway, under a proposed project worth Tk 115 crore.

In that case, Joydebpur-Rangpur highway would the first road where

ITS would be formally introduced. Large LED displays will be set up on the highway to notify road

commuters about changes in the road and weather conditions. They can also get the information through a mobile app and a dedicated website, said officials

Speed and other vehicular metrics will be detected using a specialised piece of equipment. Over-speeding vehicles will be automatically reported to relevant authorities for action, they said.

ERRATUM

In a report published on April 6 in Page 3 under the title "A new dimension in the judiciary", we mistakenly mentioned the High Court bench of Justice Kashefa Hussain and Justice Fatema Najib as the first HC bench consisting of two female judges. However, it will be the second such HC bench. The first one comprising Justice Zinat Ara and Justice Farah Mahbub was constituted in 2007.

We regret the error.
