NEW MARKET CLASHES Cops grill 6 Dhaka College BCL men

MUNTAKIM SAAD and SIRAJUL ISLAM RUBEL

Law enforcers yesterday interrogated at least six Dhaka College Chhatra League men with links to the clashes between students and traders in the capital's New Market area, which left two persons dead.

Anwar Mahmud, a teacher of the college and in-charge of its South Hostel, confirmed this to The Daily Star last night.

"The law enforcers have so far questioned six students. They let two students go and four were still at their office," he told this newspaper over the phone around 8:00pm yesterday.

Asked, HM Azimul Haque, deputy commissioner (Ramna Division) of the Detective Branch of police, said they interrogated some Dhaka College students but refused to give any specific number.

"We are verifying information. We questioned some students in connection with the incident," he told this newspaper last night.

Sources in the college and its BCL unit said the Chhatra League leaders and activists who were interrogated are deputy secretary (international affairs) of the BCL Central Committee Samad Azad Julfikar; Dhaka College BCL unit's Convening Committee members Jashim Uddin, Atikuzzaman Rana and Zahir Hassan Jewel; and BCL activists Firoz Rabbi and Titas.

Meanwhile, one of the two young men, who hacked 19-year-old deliveryman Nahid Mia to death during the April 19 clashes, was identified as Emon Bashar, an activist of Dhaka College Chhatra League unit, said sources in police and the BCL.

Photo and video footage of the young man hacking Nahid went viral on social media.

The other attacker, who also hacked Nahid, was yet to be identified. Emon from Khulna's Paikgachha is a second-year student of Bangla. He is a supporter of Dhaka College Chhatra League leader Samad Azad Julfikar, who leads one of the BCL groups at the college, according to sources.

Despite repeated attempts, this newspaper could not reach Julfikar and Emon for comments.

Several students at the college said Emon left the college campus soon after the identities of some college students, allegedly involved in the clashes, were revealed through media reports on Saturday.

Yesterday, a team of the DB police seized two mobile phones of Emon from his room at the college's International Hostel.

"A DB team came to the campus around 5:15pm and seized the two mobile phones from his room at the dormitory," Anwar told The Daily Star.

Witnesses and sources involved in the investigation said Dhaka College students, led by three Chhatra League factions, took part in the deadly clashes with New Market shopkeepers that led to Nahid's death.

Those groups were led by BCL leaders Julfikar, Firoz Hossain, and

SANCTIONS ON RAB

Won't be lifted without actions, accountability

Says US ambassador in Dhaka

STAFF CORRESPONDENT

Unless concrete actions are taken and accountability is ensured, there is no scope for lifting the sanctions on Rab, said US Ambassador Peter Haas at a discussion yesterday.

"We want to see a Rab which is capable of combatting terrorism but which is also capable of respecting basic human rights," he said at a seminar on US-Bangladesh relations.

Just prior to his remark, the Rab Director General Chowdhury Abdullah Al-Mamun spoke about how the force in 2011 established an internal enquiry cell with US cooperation to ensure accountability of Rab personnel.

Under the International Criminal Investigative Training Assistance Programme, 147 Rab personnel were trained on basic interviewing skills and human rights, he told the discussion organised by Bangladesh Institute of International and Strategic Studies (BISS).

The trained individuals are working to ensure transparency and uphold human rights, the Rab DG added.

Foreign Minister AK Abdul Momen commented that it was former US Ambassador James F. Moriarty who
