

# All Time Roma Cookies ensuring maximum delight in every bite!

In our everyday busy schedules, it often becomes a challenge to make time for relaxation. Rather, the consecutive tasks and activities arising from work and school only add up to our heaping pile of stress. While it may not always be possible to bring some colour and joy into our life by going out or travelling to a destination, we can always find instantaneous sources of happiness, and All Time Roma centre-filled cookies do just that!

It is a delicious and chocolaty cookie that is filled with a generous amount of chocolate in the centre so that you get delight in each and every bite. The moderately crunchy exterior pairs perfectly well with the rich and gooey chocolate inside. The combination of both creates such a luxurious sensation in the mouth that is hard to resist.

You can have it as a snack as it is, or dunk it in milk or tea to bring alive those nostalgic moments from childhood — either way it will taste just as delicious. You

can also pack it for tiffin or to grab a quick bite on the go, and even serve it to your guests. All Time Roma Cookie's pleasant composure will definitely become everyone's favourite snack.

Currently, there are two variants available of All Time Roma Cookies. One is the fully chocolate one where both the biscuit and the filling inside are chocolate. The other which has been recently launched, known as the choco-vanilla consists of the biscuit having a hypnotic pattern swirled with both chocolate and vanilla.

As appealing as they are to the eye, they are equally tantalising to the tastebuds. All Time Roma Cookies are also priced reasonably so that you can enjoy to your heart's content as the 70g pack costs only Tk 50 and the 165g pack is for Tk 120 only.

These new generation chocolaty cookies not only satiate the tastebuds but also help to release stress, with the joy of eating them! Experts do say

Prepared with premium imported chocolate, there is no compromise with quality.

that consuming chocolate aids in reducing stress, and these cookies are no different. For all chocolate lovers, this is just another addition to your favourite chocolate items!

Prepared with premium imported chocolate, there is no compromise with quality. Furthermore, the packaging material used is also of the highest quality using ATC, with each cookie being wrapped with foil individually for maximum protection and hygiene.
