Bangladesh-US relations to flourish further Says law minister

DIPLOMATIC CORRESPONDENT

Bangladesh heartily believes that its relationship with the US will flourish in the coming days as the bond between the two nations is strong not only at the government level but also at the people's level, Law Minister Anisul Huq said yesterday.

The minister was addressing an event at the American International School Dhaka, marking the 246th anniversary of US independence, which is observed on July 4.

The US-Bangladesh relations saw strains in recent times, especially after the US sanctions on Rab and some of its former and current officials for human rights violations.

Anisul Huq said the bilateral relations between the two nations have been complemented by the relationship at the people and business levels.

US Ambassador to Bangladesh Peter Haas said the US pays tribute to Bangladesh, which emerged after a bloody war of independence as the two countries celebrate 50 years of bilateral relations.

Tk 495 for bus, Tk 140 for car

FROM PAGE 3
for a bus Tk 495, for a car (sedan) Tk 140, and for a bike Tk 30.

Moreover, a vehicle has to pay toll for Padma Bridge separately.

Currently, a medium-sized truck has to pay Tk 2,100 for using Padma Bridge, while it is Tk 2,400 for a bus, Tk 750 for a car, and Tk 100 for a motorcycle.

So, a truck has to pay a total of Tk 2,650 for using both the expressway and Padma Bridge, while a car has to pay Tk 890, and a bike Tk 130.

BAD NEWS FOR BIKERS
After Padma Bridge, RHD is considering banning motorcycles on the expressway, citing safety concerns.

"We have already sent a proposal to ban motorbikes on the expressway," AKM Manir Hossain Pathan, chief engineer of RHD, said yesterday.

However, the two-

wheelers will be allowed on service lanes, he said at a signing ceremony at RHD headquarters yesterday.

Replying to a question, he said the decision to ban motorbikes will be finalised following discussion with stakeholders.

Earlier on June 26, Bangladesh Bridge Authority banned motorbikes on Padma Bridge from 6:00am of June 27 until further notice, as thousands of bikers queuing up to cross the bridge overwhelmed the toll plaza employees, and two bikers died in a crash on the bridge.

MANUAL TOLL COLLECTION FOR NOW
On June 22, Cabinet Committee on Government Purchase approved the proposal to give the aforementioned joint-venture firm the responsibility of collecting tolls, among other work, on the expressway.

As per the proposal, the

authorities have to pay Tk 717.49 crore for installing an "intelligence transport system" on the expressway as well as maintenance, operation and collection of tolls for the next five years.

Sabuj Uddin Khan, additional chief engineer (Dhaka zone) of RHD, and Lee Hyeon-Seung, managing director of KEC, signed the contract on behalf of their respective organisations.

Two partners in the agreement are S-Traffic Company Ltd of Korea and Tele Tell Communications of Bangladesh.

As per the contract, the first six months would be the pre-operation period, when they will collect tolls manually.

After that, they will collect tolls for the next 4.5 years with full-fledged technology.

Sabuj Uddin said they have already developed a software for collecting tolls for the first six months.

Other modern equipment would be developed within this period.

Asked why they could not engage the vendor earlier, even though the interim tolls were fixed in April last year, RHD chief engineer, said, "We did not sit idle...There could be better preparation... but our efforts should not be questioned."

Now, both the bridge and expressway authorities would collect tolls manually, which may cause huge tailbacks ahead of Eid-ul Azha.

The chief engineer asked the vendor to keep the matter in mind.

RHD officials said tolls for the expressway would be collected at two main points -- near Dhaleshwari Bridge and Bhanga.

However, there would also be toll plazas at four entry and exit points at Abdullahpur, Srinagar, Puliabazar and Maligram.

GDP growth

Will save Buriganga channel as per CS map: Taposh

STAFF CORRESPONDENT

Dhaka South City Corporation (DSCC) mayor Sheikh Fazle Noor Taposh yesterday said they will recover the Adi Buriganga channel based on a CS map.

"We will re-excavate a 2.7 km portion of the channel initially and we will set up boundary pillars accordingly and continue the work," said the mayor at the inauguration programme of the channel's re-excavation work.

Local Government and Rural Development minister Md Tazul Islam inaugurated the work at Shaheed Nagar.

Stressing the need for making canals and rivers free from encroachment, Tazul said they take will action against the encroachers no matter who they are.

"We are also working to beautify the canals after restoring them," the minister added.

We have won

Hasina said the launching of Padma Bridge will accelerate political, social, economic, administrative, cultural and overall development by integrating the two regions of the country.

She said the economic activities surrounding the bridge would play a significant role in reducing unemployment as well as alleviating poverty.

In addition, direct road and rail connectivity will save a lot of working hours of the common people and improve quality of life, she added.

Replying to a question from Jatiya Party's Syed Abu Hossain, the PM said the government is trying to keep prices of commodities affordable by keeping the wheel of the economy in motion.

Highlighting various steps taken by the government to control commodity prices, she said as a result of the initiatives, prices have started stabilising.

Mugger stabs

Shaheed Suhrawardy Medical College Hospital morgue for autopsy.

The OC said Kawsar hired Raja's motorcycle for Tk 150 in the name of going to Gabtoli area from Kalshi intersection around 1:00am.

As the motorbike reached Block: Dha in Mirpur-12, Kawsar -- sitting in the pillow -- took out a box-cutter from his bag and slashed Raja's throat, the police officer said. Both of them fell on the road immediately.

Kawsar then sped away with the bike.

OC Kazi Mainul Islam of Savar Police Station said they occasionally set up checkpoint in Birulia area at night to check vehicles.

"We had no prior information. We detained him (Kawsar) seeing blood on the number plate of the bike," he said.
