# Finding the joys of Eid

In just a few days, Muslims around the world will be celebrating Eid-ul-Azha, wherein the entire three days of the festival, along with the obvious merrymaking with family and friends, the focus is wholly sharing our good fortunes with others who might not have the same. How do we do that? With some wearing what strikes our fancy, cooking up

The holidays are a great time to travel too

a storm of delicious food at home, and by upping our kindness and sharing whatever we can with our less advantage brothers and sisters. And of course, the holidays are a great time to travel too. And so, we at Star Lifestyle wish you a very happy Eid.
