

## REVELLING IN NATURE

If you are planning a vacation or having a break from work, there is hardly a destination better than Cox's Bazar. The scorching heat of summer cannot deter tourists from visiting the seaside district's many exquisite locations including Inani, Himchhari, and Patuartek. Outdoor activities like parasailing, kayaking, and surfing will spark your urge to step outside your comfort zone and live on the edge. There is also a variety of delicious seafood to tantalise your tastebuds, as well as the opportunity to shop for souvenirs. The beauty of the sun setting on the sea will simply captivate your mind. The photos were taken recently.
