The advertisement for Berger Silk paint is divided into three main sections. On the left, a woman in a long, flowing purple dress stands in a room with green walls, looking into a large, ornate gold mirror. On the right, a can of Berger Silk paint is shown, featuring the brand name and a 'Hygienic Coating' logo. In the center, a poster displays the word 'Silk' in a stylized font, accompanied by text in Bengali: 'সিল্ক প্রদান করে দেয় স্মৃতি বাড়ায়' (Silk gives pleasure, increases memory).
