

RAMPAL PLANT Hasina, Modi to announce completion of 1st unit in Sept

UNB, Bagerhat

The first unit of the Maitree Super Thermal Power Plant will go into commercial operation early October in a major stride in growing Bangladesh-India power sector cooperation, officials said.

The unit-1 of the 1,320 (2x660) MW coal-fired power plant was successfully synchronised with the national grid on August 15. Prime Minister Sheikh Hasina and her Indian counterpart Narendra Modi are expected to jointly announce the completion of first unit's construction during her visit to India in the first week of next month. Hasina is scheduled to leave for New Delhi on September 5.

Once both units of the mega power plant are commissioned, the Maitree Super Thermal Power Project will be one of the largest power plants in Bangladesh.

Two resident workers at Lakhaichhara tea garden show a hole around which they live inside houses made of mud, tin or bamboo. Four tea workers died in a landslide in the area recently, while 100 tea-worker families are at risk of falling victim to more of such incidents. The garden authorities, however, remain inactive in moving them elsewhere.

100 tea worker families at serious risk of landslide

MINTU DESHWARA

Hiramoni Bhumij, 30, Purnima Bhumij, 28, Radha Mahali, 40 and Shukantala Bhumij, 40.

These are the names of the four female tea workers, who died in a landslide in Sreemangal's Lakhaichhara tea garden on August 19 this year.

Meanwhile, around a hundred tea-worker families are currently living there in houses made of either mud or tin and bamboo, making them even more vulnerable to the risks of landslides.

Krisan Bhumij, a resident of the area, said in 2012-13, five family members of the Lakhaichhara garden's tea workers were killed in a landslide at a nearby place called Daityatila.

Kalighat Union Parishad Chairman Pranesh Goala told this correspondent that workers of the Lakhaichhara garden are now passing their days in constant fear of landslides.

"Now everyone wants to come here because four of us died. Where have they been when we constantly wanted attention to the risks we lived in?" said Gauri Tanti and Savita Tanti, two middle-aged tea workers living in Lakhaichhara, upon hearing that a journalist came to visit.

"We have also asked the tea garden manager and staffers to provide us with alternative accommodation on multiple occasions but to no avail," they said.

"We are about 100 families living in this area. We are scared for our lives whenever it rains," said another local Rubel Mollik.

At the entrance of the garden stands Lakhaichhara Government Primary School. Champa Dev, the head teacher of the school, said the house of the school's managing committee president Chandan Kumar Tanti was on top of the Lakhaichhara hill.

staffers arrested

STAFF CORRESPONDENT, Ctg

A newborn, who was stolen from a clinic in Chattogram city on Sunday afternoon, has been safely reunited with his mother.

A team of police rescued the baby boy from a house of a garment factory worker in a remote area of Anwara upazila in Chattogram early yesterday, nearly 30 hours after he was taken away.

Police arrested five people, including three staffers of Mamata Matrisadan in EPZ area, in this connection, said OC Abdul Karim of EPZ Police Station. Tasnim Akhter, wife of Shahid of Gahira area in Anwara upazila, gave birth to the baby at the clinic on Saturday.

On Sunday afternoon, a woman, impersonating a nurse, took the child from the mother, saying that she was taking the newborn to the ground floor for vaccination. She then fled with the baby.

Shahid then filed a case with EPZ Police Station on Sunday evening. Police, from the CCTV footage, saw a woman leaving the clinic with the baby.

During investigation, police found that an employee of the maternity clinic was directly involved. The employee during interrogation told police about the baby's whereabouts, said the OC.

Police rescued the baby from the garment worker's house around 3:00am and arrested four others, he said. "We are interrogating the arrestees to glean more information from them," he added.
