He claimed that the container left the port vacant.

CPA is yet to form any probe committee in this regard.

Faruk, however, said the CPA traffic department is trying to collect more information about the container.

According to Captain Mainul Ahsan, executive director of Smart Group, the container was sent to the port from their depot after being thoroughly checked.

Moinul Hoq Chowdhury, managing director of Sinokor's Bangladeshi shipping agent Globe Link Associates Ltd, said the Penang port officials found

the body in the container on October 14 and informed Sinokor's local agent there.

The investigating team of the local police in Penang were yet to reveal anything about the identity of the body till yesterday, when Sinokor's local agent contacted them, said the Globe Link official.

Bangladesh Freight Forwarders Association vice president Khairul Alam Suzan said it is yet to be ascertained whether the deceased got into the container from Bangladesh.

However, since such incidents also happened earlier, the authorities should be more cautious in this regard, he added.

Rest of the injured are AL activists, according to sources.

Dr Ruhul Amin, an emergency department doctor at Munshiganj General Hospital, said the 11 injured came from Bakultala area around 8:00pm. All of them had bullet wounds. They were then sent to DMCH.

Science at Chittagong University, said if the road is constructed, the environment of the area would be harmed.

According to data of Bangladesh Environment Forum, 120 hills disappeared from Chattogram city in four decades. In 1976, there were 32.37 square km of hills in the port city, which decreased to 14.02 square km in 2008.

The data showed that there were 200 hills in the city 40 years ago, and 60 percent of them have disappeared. Of them, Chattogram Development Authority cut 15 hills for building Bayezid Link Road.

Why relax

FROM PAGE 3

Human Rights and Peace for Bangladesh (HRPB) filed a writ petition, challenging the legality of the circular.

According to the circular, defaulters will now get a maximum of eight years to repay term loans instead of two years, as previously stipulated.

Defaulters will reportedly also be allowed to reschedule their non-performing loans (NPLs) four times instead of three, along with other benefits, according to the BB notice.

During yesterday's hearing, HRPB lawyer Manzill Murshid told the court that BB has issued the notice to patronise big loan defaulters, which is discriminatory and contradictory to the constitution.

Depositors will be harmed, and the financial condition of banks will weaken because of the new provisions, he argued.

Attorney General AM Amin Uddin opposed the petition, saying that BB issued the circular for public interest and as per the government's policy decision.

The central bank has the legal right to issue such circulars for public interest, and therefore, the petition is not acceptable, the attorney general argued.

500 MODEL HEALTH CENTRES

‘Round-the-clock service for mothers, little ones’

STAFF CORRESPONDENT

Round-the-clock maternal and neonatal health services will be available at 500 "Model Union Health and Family Welfare Centres" from now on, Health Minister Zahid Maleque said yesterday.

Necessary human resources and equipment have been ensured for the centres in each upazila, Maleque said while inaugurating the centres at an event in Dhaka.

It was organised marking the 59th birth anniversary of Sheikh Russel, youngest son of Father of the Nation Bangabandhu Sheikh Mujibur Rahman.

He also spoke of unnecessary

caesarean deliveries in the country.

More than 500 union health and family welfare centres will be upgraded to be model ones, the minister announced.

Each of the 4,562 unions has a health and family welfare centre, run by the Directorate General of Family Planning (DGFP) under the health ministry.

But they cannot provide quality healthcare to locals due to the shortage of human resources and logistics.

On July 22, DGFP instructed all upazila health and family welfare officers to upgrade one centre in each upazila to a model health centre.
