Attorney General AM Amin Uddin and lawyer Khan Mohammad Shameem Aziz appeared for the state and BB, while lawyer Aneek R Haque argued for the writ petition filed with the HC.

Following a writ petition, the HC on October 23 stayed, for a month, the process for holding examination on October 28.

The HC also issued a rule asking BB authorities and the government to explain why they should not amend a BB circular issued for the appointment, in line with an instruction of the public administration ministry.

Advocate Md Rashidul Haque, who appeared for petitioner Mirza Rokibul Hasan, said BB issued a circular on May 10 for recruiting 225 assistant directors. Meanwhile, public administration ministry issued

for establishing the rights the gender-diverse population, ending all forms of discrimination towards them, and reforming the definition of rape in the penal code, which only caters to women and children.

Ivan Ahmed Katha, president of Shachetan Shamjasheba Hijra Sangha, said doctors should treat patients regardless of their gender identity.

SNS President Joya Shikder said hijras are not born as hijras, and during puberty, most of them are abandoned by their families and society.

"Since they are kicked out, they face sexual harassment everywhere and take the shelter of their gurus. They are deprived of their basic human rights. If there is a dedicated shelter for them, they too can flourish and do better in life," said Joya.

Chowdhury, Rany general secretary of Sheman Welfare Association, said, "The plight of the genderdiverse population is not prioritised in emergencies. Many members of the hijra and transgender communities were not allowed to get a Covid test done and were not considered for relief or financial aid during the pandemic.

At the same time, there must be sensitisation training for the judiciary officials and law enforcers on the issues of the genderdiverse population.

Md Shah Jahan, deputy director of the socialservices department, said this population could be rehabilitated to shelters, from which they can engage in activities that generate income.
