India not China's strategic rival

of 23.9 percent compared to last year. With the 98 percent zero-tariff treatment entering into force this September, Bangladesh's export to China would be boosted, he hoped.

He claimed the value of China's newly signed project contracts in Bangladesh in the first five months of this year hit $1.08 billion, which is an increase of 67.5 percent.

Asked how to reduce the trade gap with China, he said Bangladeshi businesses should actively work on this and take advantage of the free tariff regime.

Li Jiming said China wants to explore the opportunities of high-end industries in Bangladesh. Also, the country is in talks with Bangladesh on setting up solar power on all the post office buildings and eventually other buildings.

Asked about China's support to Myanmar at the UN on allegations of human rights violations and Rohingya killings, Li Jiming said China does not think that western pressure will help solve the Myanmar problem, rather it should be solved regionally.

"We have an Asian way of solving it. The Europeans or the American way will not help," he added.

Li Jiming also said China is seriously and sincerely working towards solving the Rohingya issue.

After Bangladesh sought Chinese support when there were border rules violations at the Myanmar-Bangladesh border recently, the Chinese Ambassador in Myanmar called on the Myanmar authorities and conveyed the message. In response, Myanmar said they will repatriate the Rohingyas and are preparing for it.

However, armed groups and the Myanmar military are currently fighting in the Rakhine state. So, Bangladesh needs to wait, for now, he explained.

Asked if China can help Bangladesh in any way regarding the ongoing energy crisis, Li Jiming said China will not sit idle if Bangladesh is in any emergency, although China itself is facing similar problems because of the Russia-Ukraine war.

Regarding questions on Bangladesh's concerns over declining foreign currency reserves, he said a currency swap between Bangladesh and China and Bangladesh's increasing export can be the way out.

DCAB President Rezaul Karim Lotus and General Secretary AKM Moinuddin also spoke at the event.

How many meetings

The division in January this year asked BRTA to take Buet's opinion.

On October 11 this year, BRTA submitted a report to RTHD about the progress of implementing last meeting's decisions. BRTA mentioned that it sought Buet's opinion in February but is yet to get any opinion or guideline.

The taskforce also asked BRTA in the fifth meeting to place a work plan to assign separate registration numbers and uniforms to ride-sharing bikers.

BRTA, in its reply, said the officers concerned held a meeting over the issue on October 3 and will hold another meeting with ride-sharing companies soon.

Yousub Ali Mollah, additional secretary of the division and a member of the taskforce, said today's meeting will discuss the progress of the decisions taken in the last meeting.

of HM Ershad, started brewing when she convened the party's 10th council, which was scheduled for November 26, on August 31 without any prior notice.

Sources at JP told this correspondent that the pro-Raushan faction planned to oust Quader and take over the party during the council.

A day after, JP Parliamentary Party on September 1 at a meeting decided to remove Raushan from the post of the opposition leader.

After the meeting, a letter was submitted to the parliament speaker, urging her to make Quader the opposition leader. The letter was also signed by Ranga.

Later, Ranga asked the speaker to withdraw his signature from the letter and defended Raushan on national television.

On September 14, Quader removed Ranga, who is known to be loyal to Raushan, from all party posts.

Quader is currently the deputy leader of the opposition.

In recent days, Quader is sharply criticising the incumbent government.

Sources said the ruling Awami League higher-ups are allegedly backing the pro-Raushan group to put pressure on Quader for his criticisms.

Raushan, who has been receiving treatment at a Bangkok hospital for around eight months, is likely to return home by the end of this month, sources close to Raushan said.

Noting that Prime Minister Sheikh Hasina inaugurated the Payra Seaport on November 19 in 2013, the release said so far, 236 sea-going ships have arrived at the port, through which about Tk 548 crore revenue has been earned.
