

HOW TO CHOOSE THE RIGHT UNIVERSITY FOR YOU

MAKE SURE YOU'VE CHOSEN THE RIGHT SUBJECT

The subject you choose will determine your career , so it should be something that you are actually interested in.

CHECK THE COURSE CONTENT

If there's an area within the subject you're interested in, check whether the university has it on its menu.

IS IT AFFORDABLE FOR YOU ?

Consider the overall expense involved in studying including ancillary charges such as accommodation, food and transport.

FIND OUT ABOUT STUDENT ACCOMMODATION

It is essential that the accommodation you will live in is nice and friendly, somewhere you can call your home.

CONSULT UNIVERSITY RANKINGS & REVIEWS

Check all the major ranking tables and reviews when searching for universities and departments.

CHECK LIBRARY AND RESEARCH FACILITIES

University library and research facilities can play a crucial role, especially if you are pursuing a research-focused degree.

HOW IS THE CAREER SERVICE?

Your university's career service will help you find internship and guide you towards finding employment .

WHAT EXTRACURRICULAR ACTIVITIES ARE AVAILABLE?

Search for societies and clubs in the university to make sure there's something to match your interest.
