

RIVER EROSION ALLOCATION No report on beneficiaries yet

MAHBUBUR RAHMAN KHAN

Department of Disaster Management (DDM) distributed Tk 50 crore among victims of river erosion in October 2021 through upazila nirbahi officers of the affected areas.

According to relevant documents, DDM in two separate orders issued on March 8 and June 20, asked UNOs to submit details of the beneficiaries.

But even after almost a year, DDM is yet to get a proper response from the UNOs.

In this backdrop, the department issued a reminder letter to UNOs on November 7, asking them to submit all the details by November 14.

The allocation was made under Prime Minister's Financial Aid to the Extreme Poor and Destitute of River Erosion Prone Areas.

In 2021, a total of 51,094 families of 96 upazilas in 31 districts were proposed for the aid, and the money was allocated to the UNOs from the special fund under the 2021-22 budget, reads a letter issued on October 10, 2021.

DDM told UNOs to follow the guidelines and distribute money to families equally and also submit a report with the details of beneficiaries after distribution, since

Ministry to set up databank for mortgaged land

STAFF CORRESPONDENT

The land ministry is going to set up a digital databank for mortgaged lands to protect people against forgeries.

At a coordination meeting with divisional commissioners at the ministry yesterday, Land Minister Saifuzzaman Chowdhury said banks, sub-registry offices, land offices and commoners will be able to verify information relating to land mortgages online.

It will prevent the practice of unusual buying and selling, mutating or remortgaging land, he said, adding that lenders will benefit more from the databank, reads a press release.

Land Secretary Mustafizur Rahman said in the first quarter of the current fiscal, about Tk 168 crore was collected as land development tax.

The 38-year journey of Pabna diabetic association

An abandoned one-storey building of the health department on Abdul Hamid road in Pabna was mostly used to keep dead bodies. But it all changed in 1984 when a few youths came together and turned the ghostly establishment into a facility to treat diabetes patients.

Since then, over two lakh patients have been admitted to this diabetic

centre, most of whom would have remained untreated otherwise as the facility provides their service at a minimal cost.

"Pabna Diabetic Association, a non-government organisation dedicated to diabetes patients, was established in 1984, headed by then prominent businessman Afzal Hossain as president and Dr Monwarul Aziz as secretary," said freedom fighter Baby Islam, current

chair of the organisation.

When they started bringing untreated diabetes patients into the system in the '80s, the response from people was poor as most of them were unaware of the dangers posed by this chronic disease back then.

"At first we hardly got 5-10 patients a day. However, our gradual awareness programmes

'Salary Tk 20,000, compensation Tk 12 lakh' Demand vessel workers

STAFF CORRESPONDENT

The government should immediately fix the wages and amount of compensation in case of death, natural or accidental, of vessel workers on duty, said discussants at a programme yesterday.

Sadharon Nou Sramik Oikya Parishad, a platform for the rights of vessel workers, came up with this demand at a press conference at Dhaka Reporters Unity.

Leaders of the organisation also warned of a movement if their demand is not met in 15 days.

The speakers said the government set the salary at Tk 7,700 and compensation at Tk 2 lakh through a gazette in 2016. But it has already been six and a half years since it was increased.

Monirul Islam, member secretary of the platform, demanded a monthly salary of Tk 20,000 and compensation upon death at Tk 12 lakh.

Presiding over the function, Mohammad Mohiuddin, convener of Nou Sramik Oikya Parishad, said, "We will enforce a strike after November 28, if our demand is not met."

'TikTok-ing' banned at Lalbagh Fort

DIPAN NANDY

The authorities of Lalbagh Fort have banned filming of TikTok videos on its premises.

They claimed that while filming, the video creators create trouble for other visitors.

Some have even quarrelled with visitors, said officials working at the historic site.

"Most of the TikTokers are young and have been involved in quarrels with visitors while shooting their videos. Hence, we have banned the filming of such videos on the fort premises," Lalbagh Fort Assistant Custodian Tanzilur Rahman told The Daily Star.

"I found TikTokers everywhere, making videos and even violating the privacy of visitors. Many visitors feel embarrassed under such circumstances," said Latiful Islam, a resident of Azimpur, who visited the fort last week.
