

## METRO RAIL FOR EASY AND RAPID COMMUNICATION

Dhaka Metro Rail is the newest achievement in the communication infrastructure that offers Dhaka city residents an easy and rapid form of transit, making it well-suited for the metropolitan city. This elevates the convenience of rush-hour transit for Dhaka City commuters to those in developed nations. GPH ispat is proud that the world's best GPH Quantum Steel has been chosen to ensure the quality parameters of the country's first Metro Rail.
