schooling for a better Dhaka. "We have suggested building 627 schools, 285 colleges, and 287 hospitals in the capital," he said. Students will have to be admitted to schools near their residences.

Tk 25,000 crore is needed to acquire lands for the schools, whereas the cost of a line of metro rail is Tk 30,000 crore. It is possible to reduce

traffic congestion by implementing area-wise schooling system," said Ashraful, who presented the keynote paper.

Md Anisur Rahman Miah, chairperson of Rajuk, said they are going to take initiative to introduce a system so that building owners cannot get utility lines without submitting occupancy certificates.

The occupancy

certificate is a document that ensures the building was constructed according to Rajuk-approved drawings.

The workshop was moderated by DRU's information technology and training secretary Tofazzal Hossain Rubel.

Acting president of DRU Dipu Sarwar and its general secretary Mynul Hasan Sohel also spoke at the workshop among others.

In response to a petition,

the HC on February 25, 2021 ordered the authorities to maintain status quo on land grabbing, earth filling and operating brick kilns on the land of the Bhadra and Hora rivers and also issued a rule asking the authorities concerned to explain why their inaction to stop such activities should not be declared illegal.

estate officer of DSAC.

He said a large dilapidated ship was docked on the bank of Buriganga river along with several others, while workers were dismantling the vessels. Even though

there are some designated dockyards for ship-breaking in the city, some contractors do the job elsewhere illegally.

Estate Officer Md Muniruzzaman, who led the drive, said different parts of the ships, scattered

on the spot, were being sold through biddings.

"They [two owners] also gave us in writing that they will vacate the place within two days," he said, adding that the owners also promised to move the large ship elsewhere.

performances come from a rich, long tradition, and she has the constitutional right to freedom of expression, Rita's lawyer Abdullah Al Noman told The Daily Star.

Deputy Attorney General Kamrul Ahsan Khan opposed the petition during its hearing yesterday.

According to the case documents, Rita was performing a "Pala Gaan" with fellow artiste Shah Alam Sarkar. As part of the performance, the topic being debated was "Living Beings versus the Greatest".

The programme was held on the night of December 10, 2019 at the residence of one Shahjahan Kabir in Tangail's Kalihati upazila.

Shahjahan and one Md Iqbal Hossain, who were accused in the case, had uploaded Rita's songs to their YouTube channels, the case documents further said.

Another video also surfaced in which Rita, along with her two daughters, was shown apologising for the matter that day.

On February 2, 2020, one Imrul Hasan, a lawyer, filed the case with Dhaka Cyber Tribunal against Rita under the Digital Security Act.

The tribunal on October 25 last year framed charges against Rita, Shahjahan and Iqbal.
