

## Feasibility study for Ctg metro rail begins

STAFF CORRESPONDENT, Ctg

The feasibility study for the construction of metro rail in Chattogram began yesterday.

Road Transport and Bridges Minister Obaidul Quader virtually inaugurated the project titled “Transport Master Plan and Preliminary Feasibility Study for Urban Metro Rail Transit Construction of Chattogram Metropolitan Area (CMA)” during a ceremony held at a hotel in the port city.

The estimated cost of the feasibility-study project is around Tk 70.6 crore. It will be done with joint funding from the government and Korea International Cooperation Agency (Koica).

The duration of the study is estimated to be from January 2023 to June 2025. It is being implemented by Dhaka Transport Coordination Authority (DTCA).

Obaidul Quader said that Chattogram is the commercial capital of the country. For this, Prime Minister Sheikh Hasina has planned to build metro rail here after Dhaka.

The work of upgrading Dhaka-Chattogram highway to six lanes will start soon, he noted.

Chattogram Cox’s Bazar Road will also be upgraded to four lanes, he added.

Quader said the work of Bangabandhu Tunnel is almost complete. It will be open for public after the PM gives her time to inaugurate it.

Information Minister Hasan Mahmud, Chairman of Chattogram Development Authority Zahirul Alam Dubash, Director of the feasibility-study project Tony Ilho Jung, South Korean Ambassador to Bangladesh Lee Jang-keun, and Chattogram City Corporation Mayor Rezaul Karim Chowdhury also spoke at the event among others.

## ‘Peace remains elusive without CHT accord’

Speakers tell Ctg rally

STAFF CORRESPONDENT, Ctg

It is not possible to establish peace in the rest of the country keeping the Chittagong Hill Tracts in an uproar, said speakers at a rally in Chattogram yesterday.

The implementation of the CHT Peace Accord is a must to establish peace in the hills, they said in the divisional solidarity rally, organised by CHT Peace Accord Implementation Movement, to mark 25 years of the accord’s signing, in front of Chattogram Jela Parishad Bhaban.

Lawmaker Rashed Khan Menon, also president of Workers’ Party of Bangladesh, said the CHT accord was signed after a long movement in 1997.

“I had the privilege to be associated with the process. Twenty-five years have gone by but it is seen with utmost concern that the hills are still in an uproar,” said Menon. “The rest of the country is being made unstable due to this. We know from media reports that radical

organisations have been conducting armed training in the hills, involving youths from across the country.”

Menon also said he has appealed to the government on multiple occasions to implement the accord fully.

Besides, many indigenous communities were displaced due to the influx of people from across the country during the Ziaur Rahman regime, he said.

“An unwritten martial law prevails in the hills. The displaced people were supposed to be rehabilitated, but whenever we go to talk about the issue, settlers impose strikes and blockades to stop the process,” he added.

Saukhin Chakma, member of CHT Regional Council, said as the peace accord has not been implemented in 25 years, the hills are still in a tumultuous state.

“Different groups and sub-groups have been created in the hills under the patronisation of

## 1 killed, 3 injured in road crash Man trapped under truck’s wheel for 2.5hrs

OUR CORRESPONDENT, Munshiganj

A bus helper was killed after a truck ploughed into a crowd and fell into a ditch at Bhatarchar New Road area in Munshiganj’s Gazaria upazila on Monday night.

The deceased was identified as Nasim, 18, a resident of Haldia village in Munshiganj’s Louhajang upazila. Besides, three were also injured in the accident.

Firefighters had to go through a frantic effort to rescue an injured person stuck under the truck’s wheel for two and a half hours.

The rescued person Mukul Hossain, 40, is a resident of Rayer Bagh in Dhaka. The two other injured — Shahjahan, 32 and Md Mehedi Hasan, 28, — were undergoing treatment at different hospitals in the capital, as their condition was critical.

Injured Mukul is a bus driver and Nasim was his helper. They were waiting at the area to return home after doing maintenance work on their bus.

The Dhaka-bound truck — carrying rods — lost control and ploughed into a crowd at Bhatarchar on Dhaka-Chattogram highway around 9.30pm on Monday, said ASM Rashedul Islam, in-charge of Bhatarchar Highway Police Station.

After hitting four people, the vehicle fell into a ditch beside the road, said the officer.

Locals found Mukul stuck under the wheel and sent the other injured to Gazaria Health Complex, where on-duty doctors declared Nasim dead, said

## Constitutional vacuum if not for JP: Chunnu

STAFF CORRESPONDENT

Jatiya Party MP Mujibul Haque Chunnu yesterday told parliament that if a section of JP leaders hadn’t rebelled against HM Ershad to participate in the 2014 election under the leadership of Raushan Ershad, there might have been an unconstitutional situation in the country.

The JP secretary general said this while speaking on a point of order in Jatiya Sangsad.

He said that some of them participated in the elections under the leadership of Raushan Ershad in 2014 by rebelling against Jatiya Party founding chairman HM Ershad.

Chunnu said in the 2008 elections, Jatiya Party took part as the grand alliance.

“2014 and 2018... Jatiya Party always participated in elections and is an election-oriented party.”

Chunnu mentioned that Jatiya Party has proved that the practice of boycotting the parliament is bad.

He recalled that the 2014 elections were boycotted by the Jatiya Party. At the last moment, HM Ershad said not to contest, and he wrote letters to all the candidates across the country to withdraw their nominations.

“There was such a situation that day... BNP doesn’t come to the election... If Jatiya Party didn’t come then a constitutional vacuum would have been created.”

## Ensure recreation for Dhaka’s slum children

Experts say at dialogue

STAFF CORRESPONDENT

Effective planning and sustainable initiatives are needed to create playing facilities and recreational spaces for marginalised children in urban slum areas, said speakers at a dialogue yesterday.

There is an acute shortage of recreational facilities and playgrounds for children and adolescents in urban areas of Bangladesh including Dhaka.

However, the shortage of such child-friendly spaces is most acute for children in informal settlements, including slums in urban areas, they said at the dialogue held at Save the Children office in the capital.

The dialogue was jointly organised by IPD, Save The Children Bangladesh, Bhumijo and Seep.

Due to the lack of playgrounds and recreational facilities, many children who grow up in different slums of Dhaka have become involved in various crimes, they said.

With the effective involvement of development partners alongside government initiatives, it is possible to create child-friendly spaces in slum areas, they added.

Executive Director of Institute for Planning and Development Prof Adil Muhammed Khan said a plan needs to be formulated now to create at least one child-friendly area in all slum areas of Dhaka.

Prof Akter Mahmud of Jahangirnagar University said the number of playgrounds and recreational
