Still deprived of final justice

former assistant sub-inspectors Qamruzzaman Mintu and Rashedul Islam. The two other convicts are Sumon and Russell.

Besides, the trial court asked each of the officers to pay Tk 2 lakh to the complainant as compensation.

This was first verdict under the Torture and Custodial Death (Prevention) Act, 2013.

Convicted Mintu has been on the run, and Russell, who had been absconding during the delivery of the trial court’s judgement, later on surrendered to the lower court and then secured bail from the HC on November 27, 2022 in this case, Rocky’s lawyer Md Rezaul

Karim told The Daily Star. Convicted Zahidur, Rashedul, Sumon and Russell filed four separate appeals with the HC challenging their conviction and sentences.

The HC admitted their appeals for hearing, and stayed the trial court’s direction for compensation, lawyer Rezaul Karim said, adding that the convicts are trying to get bail from the HC.

He said if the HC grants bail to the convicts, they will get released from jail and then their lawyers will not move their pending appeals for final disposal.

“This is the sole case filed under the Torture and Custodial Death (Prevention) Act, 2013, as people in general don’t

dare lodge cases against law enforcers for torture and death in custody,” said Rezaul.

Contacted, Deputy Attorney General Sujit Chatterjee Bappi told The Daily Star that a long period may be needed for the HC to dispose of the appeals, as they have not papered books of the appeals through lawyers.

A paper book, which contains all the details of a case, trial proceedings, statements, evidence, verdicts and other documents, is necessary for the HC to hear and dispose of an appeal in such a case, he added.

Zahidur’s lawyer Kondaker Gulzar Hossain told this correspondent that a fabricated case has

been filed against his client centring Jonny’s death, which is a very sensational incident.

“We will move the appeal before the High Court after the sensation is over,” he added.

Rocky told The Daily Star, “We’re still deprived of final justice. We’ve almost become destitute fighting the long legal battle. I have almost become physically disabled, as police tortured my brother and I on February 8, 2014.”

“Neither the government nor police has given us any financial assistance. I can’t work regularly, as I become sick very often due to the torture. We now want the High Court to settle the case quickly and give the verdict,” he added.

MLM scam, in guise

Later, he expanded his business using the “MLM” model.

They told the targets that after paying Tk 30,000 to become a donor member, their entry-level salary would be Tk 10,000. The victims were assigned the job to find cases of child marriage and sand extraction from rivers in their areas and report the incidents to the organisation.

After becoming a donor member by paying Tk 30,000, they were instructed to bring new members. The condition was that if they failed to do so, they would not be paid.

The organisation made sure that this condition would not be disclosed to their targets before they made their donation to the organisation. That was the trick they played to cheat and embezzle money from their targets, said Momen.

Lytton issued the order and rule following a petition filed by Adarsha Prokashoni’s proprietor Md Mahbubur Rahman.

The court issued a rule asking Bangla Academy and the government to explain why the academy’s decision not to allow Adarsha Prokashoni to run its stall in Boi Mela should not be declared illegal.

The HC bench of Justice Md Khasruzzaman and Justice Md Iqbal Kabir

Mahabub Rahman told The Daily Star, “With due respect to the High Court order, we will not display or sell those three books at the Boi Mela.”

AKM Muzahidul Islam, member secretary of book fair management committee, said, “I’m yet to receive the order. After receiving it, we will hold a meeting to take a decision.”

millions of war-ridden refugees of the Liberation War of Bangladesh.

“Ali Akbar Khan conquered the whole world with his music, to the point that his music became synonymous with magic,” said Sheikh Sadi Khan, the chair of the discussion.

Meanwhile, on the authors’ stage, Habib Anisur Rahman, Gazi Azizur Rahman, Rasel

Raihan and Ismat Shilpi talked to the readers about their new books.

The evening brought the initiation of a cultural event on the main stage, filled with the performances of recitation artists and singers.

The unveiling ceremony of Suraiya Parveen’s poem collection “Meghder Shaishab” (Sahitya Koth), was held at Suhrawardy Uddan. 114 new books were published yesterday.

What’s the point

They said at present, two-axle vehicles (six wheels) can carry a maximum of 22 tonnes, three-axle vehicles (10 wheels) a maximum of 30 tonnes and four-axle (14 wheels) a maximum of 44 tonnes all over the country.

However, as per the global standards, the limits are 15.5, 22 and 32 tonnes respectively, they said.

The authorities imposed fines for overloading in August 2016 for the first time. However, it was forced to increase the maximum weight limit of goods-laden vehicles on November 2017 due to pressure from transport associations.

Quader said a project was taken to install 28

load control centres on the highways. “But nobody knows when the work will start,” Quader said.

The minister also said smart roads are needed to build a smart Bangladesh.

In September 2019, the government took the project to set up 28 axle load control centres at 21 points across the country at a cost of Tk 1,630.28 crore. The project’s original deadline was set in June last year.

He also questioned the purpose of a lengthy contract signing ceremony, terming it a waste of time and money. “We have a lot to do. Speeches will not get them done,” said Quader, during his 14-minute speech.
