

Badiul Alam's death anniversary

CITY DESK

Today is the 20th death anniversary of Advocate Badiul Alam, a freedom fighter and politician, said a press release.

On the occasion, Advocate Badiul Alam Memorial Foundation will organise a milad mahfil in Chandanaish upazila, Chattogram.

He was born in 1926 at Fatehnagar village in Chandanaish. Badiul got his undergraduate degree from Calcutta University and LLB from Dhaka University.

During the Liberation War, he was a regional president of Awami League and later he became president of Socialist Party Chattogram south division.

After the war, he became vice president of the Lawyers Association and in 1981 he became its president. He helped set up Fatehnagar Sharifunessa Nazir Uddin Girls High School at his native village, a primary school, a madrasa and a library.

FROM PAGE 3 Eight out of the nine proposals were approved in the meeting, said sources.

Meanwhile, the committee also approved the proposal for revising the allocation for business of the Ministry of Information and Broadcasting to monitor the content in online media, IPTV, OTT Platform, social media and the internet.

"The monitoring system will come under a legal framework after the approval," said an official of the Information Ministry, wishing anonymity.

The ministry can carry out the monitoring process either by forming a new organisation or through

one of the existing ones. Earlier, Information Minister Hasan Mahmud as the Deputy Commissioners' conference asked to notify the ministry if any unregistered online portals and IPTVs spread any rumours.

The other proposals were for creating posts for teachers and staffers who had been in the educational institutions before they were listed as government institutions, temporary posts in the revenue sector for the Dhaka South City Corporation, BCS Administration Academy, Public Service Commission and an additional post of secretary in the Law and Justice Division.

A grand ploy

FROM PAGE 3 tax documents with fake seals.

"We will interrogate the arrestees to get further details of the syndicate, like how many people were sent out of the country, and whether they have any

other members." Earlier on January 18, DB arrested six people from Dhaka, who defrauded people and embezzled huge sums of money, promising to provide fake US visas from Bangladesh.

We also want

FROM PAGE 3 progress in the investigation. What's more, law enforcers sought extra time 95 times from the court to submit the probe report.

DRU strongly demanded a fair investigation into the murder and unmasking

the real killers as soon as possible. Otherwise, it vowed to announce strict programmes.

DRU president Mursalin Nomani and general secretary Mynul Hasan Sohel, among others, were present yesterday.

But the EC did not provide the registration

as party, as they applied for it after the stipulated time, EC officials said. Later, the party leaders went to court and sought registration.

From distress

Beli said following her success in the locality, other women who were going through the same experiences turned up at her home seeking a solution to their poverty, family crises and financial problems.

"I helped them and earned their trust. Sometimes I came across difficulties in solving familial issues faced by women. The local authorities do not cooperate with these women. Hence, I was prompted to run in the election," she said.

Upoma Mahub, senior manager of advocacy of the Ultra-Poor Graduation Programme told The Daily Star that Brac devised the model in 2002 titled "Ultra-Poor Graduation Programme" aimed at lifting those who are

poorest among the poor out of poverty.

"Under the programme, Brac officials closely coordinate with the target audience and provide them with the required knowledge on income generation, savings and balanced investment in nutrition and education," said Upoma.

These success stories emerged in Brac's Hope Festival which kicked off at the Army Stadium in the capital yesterday. The festival has been organised to mark the 50 years of the organisation.

The festival has been a hub of collaboration, interaction and success stories as enthusiastic people turned to the ground from across the country with their stories.

The festival grounds were adorned with exhibitions, pavilions, stalls, and workshops with diverse cultural motifs depicting Brac's activities and ecosystem, along with a special play zone for children.

Theatre personality Ramendu Majumdar, acamedecian Shyamoli Nasrin Chowdhury, singer Rezwana Choudhury Bannya, and Jatra artist Milon Kanti Dey also spoke.

Shahriar Kabir, president of Nirmul committee, presided over the programme.

A documentary film on the professor's life and works was exhibited after the programme.

Prof Kabir was born on February 9, 1923 and breathed his last on December 13, 2011.

Erfan Salim gets bail

The magistrate also issued the arrest warrant against Erfan, who was absent during the Wednesday's hearing.

The court set March 6 for starting the trial against him.

Among the four other accused, Zahid is now on bail while Mizanur

Rahman and Dipu are on bail. And Ripon is still at large.

According to the case filed by navy officer Wasif Ahmad Khan, he and his wife were verbally abused and assaulted by several SUV passengers at Dhanmondi on October 25, 2020, following a dispute after the vehicle rear-ended Wasif's motorcycle.

Petition filed

FROM PAGE 5 On February 5, the HC stayed for eight weeks a Dhaka court order that on January 19 prohibited GM Quader from taking part in any activities of Jatiya Party.

It also issued a rule

asking Mridha and other authorities concerned to explain why the Dhaka court order should not be scrapped.

Mridha, also a former adviser to the JP chief, was removed from the party on September 17 last year.

"Those found guilty in the police investigation will be brought under the law," he added.

Gautam Chandra Chanda, divisional coordinator of Bangladesh Environmental Lawyers Association (Bela), said the authorities have information regarding

those who are involved in the cutting of hillocks.

"Why are they detaining the workers or drivers of the soil-loaded trucks and not filing cases against the responsible soil traders and their patrons? Even the few hillocks that are still intact will not be spared if such attitude prevails," Gautam said.

"The local administration cannot avoid the responsibility of this. Dealing with the issue should be their priority now," he added.
