

ACI Enabling Bangladesh through Quality and Technology

Advanced Chemical Industries Limited (ACI) is a leading conglomerate in Bangladesh. ACI started its journey with a unique mission - to improve the quality of life of the people through responsible application of knowledge, skills and technology. ACI is committed to the pursuit of excellence by developing world-class products, innovative processes and empowered employees, to provide the highest level of satisfaction to its customers.

ACI has successfully infused ethical work culture, professionalism and advanced management processes in all its business operations. As a result, ACI has become one of the most respected business organizations in Bangladesh.

ACI has two publicly listed companies and 15 subsidiaries with diverse businesses, ranging from pharmaceuticals, consumer goods and agribusiness.

ACI has three joint venture companies, namely Tetley ACI (Bangladesh) Limited, ACI CO-RO Bangladesh Ltd. and ACI Godrej Agrovet Private Limited.

ACI is a founding member of the Community of Global Growth Companies, which was set up by the World Economic Forum, the leading business networking organisation. ACI is one of the six companies in Bangladesh that adopted UN Global Compact Principles in September 2003.

ACI secured the ISO 9001 certification, the international standard for quality management system, in 1995, the first for a Bangladesh company. In 2000, ACI obtained the ISO 14001 certification, which is a global standard for environmental management, again a first for the country which reflects its environmental concern.
