

RENEWABLE IS THE FUTURE

A young girl with dark curly hair, wearing a white t-shirt, is smiling and holding a bouquet of green plants. She is positioned in front of a collage of renewable energy symbols. To her left is a wind turbine and solar panels. Behind her is a sun and a green globe. In the foreground, there is a blue and white wavy circular graphic.

BGMEA'S RENEWED VISION
A VISION FOR
A SUSTAINABLE
FUTURE,
A BETTER
FUTURE.

Industry aims to go
100% green by 2030.
Currently 187 green garment
factories are LEED certified.
Of the world's top 12 green factories,
10 are in Bangladesh.

Reduction of 30% energy consumption
and 20% of the total energy will come
from renewable sources by 2030.
*Saving energy today for a more
efficient tomorrow.*

The BGMEA logo consists of a 3x3 grid of circles. The top row has three circles with horizontal lines. The middle row has three circles with vertical lines. The bottom row has three circles with diagonal lines. To the right of the grid is the text "BGMEA" in a bold, sans-serif font.
