for his life in the intensive care unit at CMCH.
According to doctors, he experienced a head injury and had surgery at CMCH. His condition is very critical, they added.
Probesh, a father of two, is from the Sitakunda's Bhatiar union.
"My husband's health is not good. I have no idea what will happen now. He is our only source of income; my daughter is in sixth grade and my son is an HSC student," she said.
Probesh's brother Nayan Sharma claimed that despite working for Seema Oxygen Plant for 20 years, no one from the company visited his brother in CMCH. "The factory has not offered us any assistance. We received Tk 7,500 from the district administration, but we have already spent more than Tk 50,000 on medicine and other necessities." Another injured from the blast is Masudul Alam.

Contacted, Prof Dr Harun-ur-Roshid, head of the ICU at CMCH, said that Probesh's condition is critical while Masudul's is slightly better.
Masudul's right leg was amputated, he said, adding, "Masudul underwent an operation at the hospital."
Meanwhile, six dead bodies were handed over to their families yesterday afternoon, said Sub-inspector Alauddin Talukder of CMCH Police Camp.
Each of the families have been given Tk 2,50,000 in cash and cheque by different government organisations, said Abul Bashar Muhammad Fakhruzzaman, deputy commissioner of Chattogram.
Deputy Minister for Education Muhibul Hasan Chowdhury handed over the cheque to the families of the deceased.
Besides, each of the injured people will be given Tk 50,000, he said.

Stop cutting trees

said that the Appellate Division of the Supreme Court has banned cutting immature trees in Jhimai Punji. At the same time, the court stated that only mature and old trees can be cut under the supervision of the Forest Department and Department of Environment, only after planting two trees of the same species against a felled one.
In the name of expanding tea gardens, the authorities are planning to kill mature, ancient and immature trees, violating the court's order and existing laws of the country, they said.
The eminent citizens also demanded the amendment of the government's 40-year lease agreement with tea gardens, to free the land claimed by the Khasi people. This will ensure the right to land, water, movement and livelihood of 72 Khasi families and withdrawal of false cases filed against them.
Sultana Kamal, Khushi Kabir, Dr Itteharuzzaman, ZI Khan Panna, Shamsul Huda, Md Nur Khan Liton, Zakir Hossain, SM Rezaul Karim, Sanjeeb Drong and Syeda Rizwana Hasan are among the signatories.

It should be realistic

Nobody will be allowed to buy a motorcycle without a driving licence. Also, one would need a licence to get a motorcycle registered with the Bangladesh Road Transport Authority.
According to the draft, no biker will be allowed to carry a pillion on highways. Operation of bikes on national and regional highways will be suspended for 10 days before and after the day of any major festival like Eid.
Following media reports over the draft, a group of bikers staged demonstrations against it, and many people wrote critically on social media.
Against the backdrop, a four-member delegation of BMAMA, led by its president Matiu Rahman, met the road secretary.
Biplob Kumar Roy, general secretary of BMAMA, said, "We told him that if such a guideline, as reported by media, is formulated, it will put serious negative impact on the bike industries."
"The guideline should be realistic; it should not be imposed," Biplob, also CEO of TVS Auto Bangladesh Ltd, told The Daily Star yesterday.
Secretary Nuri said the draft published in the media is at a preliminary level. "We have told them [BMAMA leaders] that we will talk with all stakeholders before finalising the draft as there is a necessity of a guideline."

A heartbreaking

But this time, leaders and activists of several Islamist organisations, including Islamic Andolon Bangladesh, had been staging demonstrations since Thursday, demanding cancellation of the event.
After Juma prayers, they gathered at the town's Chowrangti intersection, brought out a procession and started marching towards the venue.
The clash ensued as police obstructed the procession.
The unruly people also looted and torched the houses of Ahmadiyyas.
