

## PM gives Tk 1cr to Ahmadiyyas

FROM PAGE 3  
About Tk 1 crore was distributed yesterday. Of the families, 108 families from Panchagarh Sadar upazila and the rest 98 were in the district's Boda upazila.

Railways Minister Nurul Islam Sujan was the chief guest at the distribution programme while Deputy Commissioner of Panchagarh Md Jahurul Islam chaired the event held at the Jalsaghar.

The minister said when the election comes close, there is always a move to put the government in trouble by propagating various things based on religion.

"They did such a thing in Brahmanbaria... the BNP-Jamaat were involved in it directly. They want to destabilise the country creating various issues," he claimed.

On March 3, two people were killed and at least

30 others, including seven policemen, injured in a clash between law enforcers and supporters of Islamist organisations demonstrating against the Ahmadiyya community.

The agitators set fire to many homes and four shops belonging to the members of the community. They also attacked a local police station, vehicles of law enforcers, and a traffic police office.

## A year since deal inked

FROM PAGE 3  
Migration and Asylum Minister Panagiotis A Mitarachi expressed optimism that the agreement would effectively support regular migration.

After the signing, the Ministry of Expatriates' Welfare in Bangladesh said Bangladeshi workers will be hired in the "seasonal" category for the agriculture sector. The number of sectors open to hiring migrants will increase later, based on the demand and following discussions between the two countries.

The workers will have to return home upon the expiry of their work permits. They will be able to re-

migrate for employment. While applying for a job, Bangladeshi job seekers will have to submit valid travel documents and work contracts, and pay necessary fees, the ministry mentioned in the press release.

Meanwhile, the regularisation of undocumented Bangladeshi migrant workers in Greece started after the Greek authorities launched an online portal to receive applications in January this year.

The regularisation is a component of the MoU, and around 15,000 Bangladeshis could avail the opportunity, said officials of the Bangladesh

mission in Greece.

As of March 2, the Bangladesh mission attested passport copies of over 4,000 Bangladeshis who could submit their applications through the online portal, reads a notice.

Once an application is approved, Greece will initially provide a "white paper" or temporary residence permit via email which will enable the Bangladeshi to work there legally.

Later, upon scrutiny and approval of the applications by the Greek authorities, the migrants will be provided with a "residence card" for five years, which will be renewable.

## One test for univ admission from next year: minister

UNB, Kushtia

Education Minister Dipu Moni yesterday said students will be enrolled in universities through a national merit list after holding only one admission test from next year.

She said this to reporters after inaugurating a science fair of National University at Daulatpur College in Kushtia.

Acknowledging some problems and limitations in the cluster system for university admission, the minister said the problems will be addressed in future.

Cluster method admission test was introduced in 2021-22 academic year after bringing 32 public universities under it to enrol students on the basis of a merit list.

## Police foil protest rally

FROM PAGE 5

Later, the protesters did not advance, and police allowed a four-member group of the council to submit a memorandum to the mayor. They, however, did not allow Nurul to be in the group.

At last, the group, led by the council's vice president Abdul Malek, reached CCC around 12:45pm. When the four members entered the premises, BCL activists took position and started chanting slogans against the council leaders.

The mayor did not meet the leaders, and Chief Executive Officer Tauhidul Islam received the memorandum on his behalf. Jannatul Ferdous, the organisation's assistant general secretary, said, "We will wait for some days to observe the mayor's actions and will declare our next step of movement."

'COUNCIL LEADERS ILL-MOTIVATED'

After the council members

left CCC, journalists asked the mayor about the movement at his office.

Terming the council leaders opportunistic and ill-motivated, the mayor said, "The people who are demonstrating have an ulterior agenda... The real taxpayers have no connection with them."

About BCL activists taking positions at CCC, he said, "I did not ask anyone to come here. I am a political leader, and so, if someone comes here spontaneously, what can I do?"

Amid the situation, those who went to CCC for different work could not enter, as the main entrance was locked since morning due to the movement.

CCC Secretary Kahled Mahmud said CCC officials and staffers usually enter before 9:00am, and outsiders are not allowed inside the office without permission.

sceneries by the river," he added. "We have decided to build a gym at each ward to encourage the young generation to pursue fitness and sports. We will develop necessary facilities here to that end," he said.

Taposh said it is very

sad that Dhaka has become a sanctuary of encroachment.

"We are demolishing illegal structures wherever we find them. Mukhtang was illegally grabbed. We are developing the place so that children and youths can play there," he added.

## BNP launched attack

Bangabandhu Avenue.

Terming BNP the master of "vote robbery", he said, "The BNP leaders are raising allegations against us, which have already been raised against them. Are people so dumb?"

Alleging that BNP is hatching conspiracies to foil the next national election, Quader said, "Many are showing through

their activities that they will neither participate in the polls nor let the election take place..."

"BNP Secretary General Mirza Fakhrul Islam Alamgir said Awami League would have to take responsibility if any untoward incident happens centring the election. Which means they are preparing to create untoward situations," he said.

the Supreme Court after false and stamped ballot papers were found there on Tuesday night, the night before the election.

"They [pro-AL lawyers] assaulted our seven-time elected Supreme Court bar secretary [Mahbubuddin Khokon] and injured him." He also said a case has been filed against 1,000 pro-BNP lawyers, including Khokon, over the incident. The two-day voting

for SCBA election started around 10:00am yesterday, but it was suspended immediately when some pro-BNP lawyers staged demonstrations demanding formation of an election-conducting committee led by a neutral person.

The discussion was held marking the launching of a book titled "Amar Rajnitr Rojnamcha", written by BNP standing committee member Khandaker Mosharraf Hossain.

The president invited the students at Bangabhaban for the first time. Earlier in the afternoon, they

visited different historic sites inside the presidential palace including the toshakhana museum.

Hamid answered students' queries, including those about his relationship with Bangabandhu.
