Neshar Uddin from Barguna's Patharghata undergoing treatment at Abu Naser

Specialised Hospital in Khulna as both the kidneys of the 46-year-old were damaged.

He was diagnosed with kidney disease about a year

Obaidul Haque Sumon, a kidney specialist, who is currently treating Neshar Uddin, advised that the patient's kidney has to be transplanted.

treatment, For his around Tk 6 lakh will be needed which the day labourer patient cannot

Neshar Uddin, who has a four-member family, already sold his land to bear his medical expenses.

He said he has to travel to Khulna from Patharghata eight times every month for dialysis. It costs a lot of money.

Therefore, he is urging the well-off of the society to help him financially. Aid can be sent to Md Neshar Uddin, Account No: 777010004754, Rupali Bank, Patharghata Branch, Barguna; and bKash and Nagad No: 01719594080.

Youth killed over easy bike One held

OUR CORRESPONDENT,

A youth was strangled to death in Teesta char area of Lalmonirhat's Patgram upazila on Friday night.

The deceased is Rafiqul Islam, 25. After recovering his

body, police arrested Ayub Ali, 26, a friend of Rafiqul, after his brother Amjad Hossain filed a case.

Patgram Police Station OC Ömar Farooq said Rafiqul was killed over a

battery-run easy bike. Police said Ayub and Rafigul came to visit the latter's stepbrother Zulfikar Ali in Patgram's Guchchagram area on the easy bike from Dinajpur's Birganj. The two went to the char area, where Ayub strangled Rafigul, the owner of the easy bike.

Amjad said, "Ayub is known as a miscreant in Birgani area. He befriended my brother with the intention of stealing his easy bike."

KARATOYA IN GAIBANDHA

Once a flowing river, now a dumping ground

MOSTAFA SHABUJ, back from Gaibandha

Karatova river in Gaibandha has transformed into a to dumping ground as the Gobindaganj municipality trucks have been dumping trash on a dried-up section of the river in broad daylight.

In 1996, a three-vent regulator was set up by Water Development Board in Gaibandha near Khulshi village to prevent flood in the upazila town. From then on, the part of the river (running around 10km) on the village's side remains dry for nine months in a year with little water flowing through it during monsoon.

Upon visiting the river near Bhanga Bridge on the Gobindaganj-Dinajpur regional road yesterday noon, this correspondent found a municipality truck unloading heaps of rubbish on the dried land.

being manufactured in government institutions the municipality dumping and officials, including the ground so we were asked then upazila nirbahi officer to dump the rubbish here. in 2015.

This has been going for a

don't Bhasani's memorabilia. However. necessary infrastructure development is a timely need," added Prof Farhad.

When asked filling of ponds rehabilitation of kitchen market traders, he suggested that this correspondent contact the municipality mayor in this regard.

However, this newspaper could not get the comments of Mayor SM Sirajul Haque Khan Alamgir, who is also and the Department of the president of the AL town unit, as his private Azad Khan Bhasani, secretary informed that he

director of DoE in Tangail, said he has already received a copy of the memorandum from the kitchen market's traders. "No one can fill any water bodies. It's a punishable offence under the environmental laws. If the allegations are found true, the DoE will sue

them.' Although the protestors mentioned RHD as the owner of the said land, Aliul Hossain, executive engineer of Tangail RHD, said they have already from the market. Accidents handed over the road to the Local Government and Engineering Department (LGED). "Hence, the roadside land is also under

the jurisdiction of LGED." However, Rafiqul Islam, executive engineer of LGED in Tangail, said they have no documents for the roadside land's jurisdiction.

Contacted. Uddin Haider, deputy commissioner in Tangail, said he has received the memorandum from the traders of the kitchen market and directed the assistant commissioner (land) of Tangail Sadar upazila to check which office has the land's

Stop illegal earth

FROM PAGE 3 Addressing the discussion, IPD advisor Professor Akhtar Mahmud said the filling of a portion of Hatirjheel and the construction of an elevated expressway through Panthakunja Park is being without proper done

Hecriticised the decision, calling it a "suicidal" one and questioned how such a project could be implemented without coordination with the relevant authorities as per the Town Improvement Act

Prof Akhtar further demanded that those responsible for such

environment and urban areas should be held accountable.

Mohammed Adil Khan, executive director of IPD, warned that the construction work of the Dhaka Elevated Expressway will not only affect Hatirjheel and Panthakunja Park but also severely disrupt traffic and livelihoods in the surrounding areas.

He emphasised the need for projects to be conducted transparently and following the law to prevent any further damage to the city's environment.

IPD Director Ariful Islam also spoke at the
