

# A healer of society's diseases

## Say speakers on Zafrullah Chowdhury

OUR CORRESPONDENT, Savar

"Zafrullah Chowdhury worked to cure not only the diseases in the human body but also the diseases of the society. He wanted the development of all, without any discrimination."

Dhaka University Professor Emeritus Serajul Islam Choudhury made the remarks yesterday while addressing a memorial meeting in remembrance of Gonoshasthaya Kendra founder and freedom fighter Zafrullah Chowdhury.

Prof Choudhury said "We know him by his many identities. He was a lifelong freedom fighter, who believed in social ownership instead of private ownership. He was extraordinarily unique in many such ways."

The memorial meeting was held at the auditorium of Gono University's academic building.

"Dr Zafrullah Chowdhury was a true patriot, who worked to develop the lives of the poorest population. He was ready to give his life for the welfare of the people. He lived a bright and intense life, through which we will always remember him," said Prof Asif Nazrul of Dhaka University's law department.

The event was presided over by Vice Chancellor of Gono University Abul Hossain.

Farida Akhtar, executive director of Development Options Policy Research, Gono University trustee board members Waliul Islam, Kana Chowdhury and Manzoor Qadir were also present.

Zafrullah Chowdhury's wife Shirin Huq and son Bareesh Chowdhury were also present at the meeting.

# More drama centring Barishal city polls

## BNP recommends suspension of independent candidate for mayoral race

OUR CORRESPONDENT, Barishal

In a surprising turn of events, BNP's Barishal unit yesterday recommended suspending Kamrul Ahsan Rupon, who is running for the mayoral race as an independent candidate, although he does not hold any post in the party.

Barishal BNP prepared a list of 19 former and current leaders of BNP and its associate bodies, including Rupon, recommending their

suspension for participating in the city corporation polls, ignoring the party's decision to boycott it.

Barishal BNP sources said two more names will be added to the list. A letter has also been sent to the central committee along with the list recommending suspension of those listed as punishment for breaching party discipline.

# Girl abducted again by same assailant

OUR CORRESPONDENT, Lalmonirhat

A 16-year-old girl, who was abducted and raped by a youth around three years ago, has been abducted again allegedly by the same person in Lalmonirhat.

The girl, who belongs to the Hindu community, has remained traceless since the second abduction on May 10, said her family members.

Police said they are trying to rescue her and arrest the alleged abductor.

The accused is Arif Hossain, 33,

a resident of Madhuram village in Lalmonirhat Sadar upazila. Arif works as an accountant at Lalmonirhat's Teesta Degree College.

The victim's father, a sharecropper, said Arif used to stalk her daughter on her way to and back from school. In June 2020, Arif and his cohorts abducted the girl when she was an eighth-grader.

# Hornbill trafficker sent to jail

STAFF CORRESPONDENT, Ctg

A mobile court sentenced a wildlife trafficker to four months in jail after he was arrested along with two endangered hornbill birds in Chattogram's Chandanaish upazila early yesterday.

Jimran Md Shaikh, assistant commissioner (land) of Chandanaish upazila, led the mobile court and handed down the verdict to Mizanur Rahman, 47.

Additional Superintendent of Police Abu Iyeb Md Arif said, "Acting on a tip-off, police set up a check post at Gachbaria College Gate on Chattogram-Cox's Bazar Highway and stopped a passenger bus of Shyamoli Paribahan around midnight."

"Later, Mizan was held with two hornbill birds from the bus," he added.

The hornbill birds were handed over to the forest department.

Anwar Hossain, officer-in-charge of Chandanaish Police Station, said the birds were caught from a remote area in Bandarban's Alikadam.

The two birds were supposed to be taken to Gazipur district via Chattogram's Chakaria, the OC said.

The carrier was offered Tk 2,000 for each bird, he added.
