150 trees felled to widen road

OUR CORRESPONDENT,

Around 150 palm and date trees were felled in the past week as part of a project to develop a local earthen road in Patuakhali's Bauphal upazila.

The works are being carried out under the food-for-work programme, following the directive of Kamruzzaman Litu Molla, project president and general secretary of the union's Awami League unit.

Upon visiting the spot, this correspondent saw excavators being used for soil cutting, though the work was supposed to be carried away through manual labour.

The machines have already uprooted 92 palm the roads are now better." and 51 date trees on both sides of the road.
