24th Convocation | July 12, 2023

Message

I convey my heartfelt congratulation to the graduating students, their nts, faculty members and university authority on the auspicious occasion of the 24th Convocation of North South University (NSU).

Education is the most important element for the development of a nation.

The government under the dynamic leadership of Prime Minister Sheikh Hasina is committed to build Bangladesh as 'Golden Bengal' – dreamt by Father of the Nation Bangabandhu Sheikh Mujibur Rahman. To materialize the 'Vision – 2041' Nation Bangalandiu Sheikh Mujlour Rahman. Io materianze the Vision—2041 declared by Prime Minister and to transform the country as 'Smart Bangladesh' we need wholehearted support and contribution from every sphere of the society. Universities have several vital responsibilities in imparting state of the art and quality education to prepare future leaders of the country imbued with patriotism, integrity and ethical values. I hope NSU would give more efforts in nurturing critical thinking skills of the students so that they can differentiate the right or wrong while making decision in their personal and social activities.

Convocation is a landmark event of student's life. It recognizes the performance and hard-work of both students and universities. I urge upon the graduates to apply their earned knowledge for the wellbeing of the mass people. I pray for their bright and successful future.

I wish the 24th Convocation of North South University a grand success Khoda Hafez, May Bangladesh Live Forever.

Message

I am happy to know that the 24th Convocation of North South University is taking place on 12 July 2023. On this auspicious occasion, I would like to congratulate all graduating students, their parents, current and former students, faculty members, and university officials and employees.

The Awarmi League government is fully committed to transforming the country's clucation sector. We have opened up the scope to pursue higher education in Bangladesh. There are currently, 162 government-approved universities, including 53 public universities, in the country. We have implemented several policies and initiatives to promote research and innovation in higher education. The Academic Innovation Fund (AIF) initiative under the Higher Education Quality Enhancement Project (HEQEP), with the support of the World Bank, aims to promote research and innovation in higher education institutions across the country. The government has also launched the Higher Education Acceleration and Transformation Project (HEAT), South Asia's first World Bank-supported regional education project. The project, launched in 2019, is promoting regional collaboration in the higher education sector, including student mobility through equivalent programs, credit transfer schemes, and university twinning arrangements within the region.

The Covid-19 pandemic disrupted the education sector globally, and Bangladesh was no exception. However, the government took proactive measures to minimize the impact of the pandemic on education. The launch of online education initiatives and an e-learning portal ensured the continued studies of the students despite the closure of education alm institutions.

I want to congratulate all the graduates once again for their outstanding achievements. I would also like to commend North South University a grand success and a bright future for all the graduates.

am delighted to learn that North South University is going to hold its 24th Convocation

The University Grants Commission is committed to ensuring quality education as well as establishing a knowledge-based society. Quality education is of great importance in encountering the diverse challenges of the present world. University both public and private should put their utmost endeavor into producing capable and competent graduates by providing state-of-the-art education. I hope the graduates who are passing out today would be able to face the challenges confidently and contribute significantly to the development of the country.

I am also well aware of, and extremely pleased about the fact that one of the key achievements of North South University is the commitment to academic excellence. Education is the key to unlocking one's potential, and North South University has strived to provide the students with the best possible learning experience. The faculty members are also renowned for their expertise in their respective fields, and they bring a wealth of knowledge and experience to the classroom, I also extend my appreciation to the faculty members without whose contribution North South University wouldn't have come this far.

wish the 24th Convocation of North South University a success.
