

JMB no longer a major threat

FROM PAGE 3
“We found 15-20 JMB men who joined the newly-formed militant group Jama’atul Ansar Fil Hindal Sharqiya,” he added.
Some of its members tried to reorganise small factions, but failed due to fund crunch and law enforcers’ intervention.

The Rab officer referred to the arrest of Emdadul Haque alias Uzzal Master in September 2021 from a hideout in Dhaka’s Basila. Emdadul admitted to Rab that he was coordinating around 50 JMB members to reunite them to form a JMB faction.

Emdadul, who was a school teacher but was sacked for his involvement in militancy, was accused

in several cases filed on charges of sabotage and involvement in militancy with different police stations in Dhaka and Mymensingh in 2007, 2012, 2015 and 2020. He was arrested at least twice, but was released on bail.

“Now we have no intelligence about anyone leading JMB,” Moin told this correspondent.

MM Hasanul Jahid, superintendent of police at Anti-Terrorism Unit, said over 1,100 accused of different militancy related cases, who are on bail or freed after serving their jail terms, are under their constant watch.

Replying to a query, he said 20 to 25 of them left homes and went off the

ATU radar. Later, five to six of them were arrested while ATU traced some of them.

The officer said eight to 10 are still missing and a drive is on to arrest them. He, however, could not confirm whether the missing persons were accused in August 17 cases.

Jahid apprehended, “If political situation gets unstable, JMB members may take advantage and try to reorganise again.”

Indictment

Hassan Chowdhury represented the state while Anti-Corruption Commission’s lawyer Khurshid Alam Khan was also present.

On May 17, the BNP chairperson filed the revision petition with the HC, through her lawyer Kayser Kamal, to scrap the trial court order, saying the charges were framed illegally.

On March 19, Khaleda, former prime minister, and seven others were indicted in the case.

The ACC filed the case on December 9, 2007, accusing Khaleda and several others of abusing power to award a gas exploration and extraction deal to Canadian company Niko when she was PM between 2001 and 2006.

brought out a procession on the campus. After an hour, they started a sit-in next to the main gate of the college.

Students also vowed that if no one was arrested by 12:00pm today, they would block the emergency ward from providing any medical services.

They then announced their 3-point demand – arresting those responsible for the clashes, setting up model pharmacies in hospitals and establishing permanent police outposts to ensure round-the-clock security.

Later, Khulna Medical

College’s Principal Dr Md Deen-ul-Islam also joined the sit-in protest and expressed his solidarity and support.

The university authorities had filed a complaint with Khulna Sonadanga Model Police Station on Tuesday, which was then filed as a case against four named persons and 50 unidentified individuals. Students also announced that they would start a hunger strike from today if no one is arrested.

Saiful Islam Antu, president of KMCH’s intern doctors’ council, said they will continue the protest as no one has been arrested so far in connection with the incident.

Since the incident, pharmacies in front of the

hospital have remain closed.

Zillur Rahman Jewel, director of Bangladesh Chemist and Druggist Association, said, “If any of our businessmen are arrested, we will also file a counter-case. All drug shops in Khulna division will be closed.”

Md Momtazul Haq, officer-in-charge of Sonadanga Police Station, said, “We have talked to both sides. And a case has been filed on behalf of the medical college.”

The incident began on Monday, when a student of the medical college locked into an argument with a shopkeeper of a drugstore in front of the college, over allegedly charging extra money for medicines.

In his complaint, Afzalur Rahman alleged that the daily ran a news item on August 10 titled “Swechasebak League Leader Babur Kando: Cox’s Bazar e Shoto Koti Takar Jomi Dakhal” which was false, fabricated and concocted, and it tarnished his reputation socially and politically.

The news tarnished his image in the monetary amount of Tk 50 crore, he said in the complaint.

The complainant appealed to the court to issue arrest warrants against the accused for committing such “offences”.

while total number of cases rose to 92,024. Sharmin Islam Bihi, an on-duty doctor of Medicine Unit of Dhaka Medical College Hospital, said 70 percent of their patients coming every day are infected with dengue, but there are also typhoid patients.

However, the hospital usually does not admit a typhoid patient unless it is a complicated case.

Monir Hossain, father of one-year-old dengue patient Abdur Rahman who is undergoing treatment at the Dr MR Khan Shishu Hospital and Institute of Child Health, said his son was first diagnosed with dengue virus and later pneumonia.

A lab technician of MR Khan Hospital said they usually get 15 to 20 typhoid

patients in a month who come to check for dengue.

Dr Nazmul also said patients, especially adults, with nausea, cough or throat pain along with high fever of 103-105 degrees within 12 hours to 14 hours have influenza-like viral fever. Those without any runny nose, cough or throat pain but having body pain, headache, eyes and back pain along with fever and nausea are suspected dengue patients, Nazmul said.

There is an exception for children and they ask every child who has cold related problems or fever to do an NSI test. “Since people are advised to take lots of fluids, many are consuming juices like sugarcane juice from outside which are infecting them with waterborne diseases,” Nazmul said.

has to be saved to restore democracy, human rights, the rule of law, and the voting rights of the people of Bangladesh, reports UNB.

Khosru, a BNP standing committee member, alleged that the government is deliberately pushing Khaleda towards death by not giving her a scope to receive advanced treatment abroad, ignoring the repeated requests of doctors.

BNP arranged the programme at its Nayapaltan central office.

All city and district units of the party also arranged the events seeking blessings for the speedy recovery of Khaleda.

Meanwhile, BNP Secretary General Mirza Fakhrul Islam Alamgir yesterday alleged that the Awami League government has reshuffled the deputy commissioners and superintendents of police across the country as part of its plan to rig the election.

He was speaking at a doa mahfil for Khaleda’s recovery in Thakurgaon.
