A close-up photograph of several hands clasped together, with a large, white, outlined text 'SUPERNOVA' overlaid across the center. The hands are of different skin tones and are positioned in a way that suggests a group hug or a moment of solidarity. The background is a textured, brownish surface, possibly a wall or a piece of fabric. The text 'SUPERNOVA' is in a bold, sans-serif font with a thick white outline, making it stand out prominently against the darker background.
