50 years without a concrete bridge!

Residents of three unions in Narail Sadar upazila have not had a concrete bridge over the Kajla river in 50 years.

The residents of Mulia, Sheikhhati and Tularampur villages have to use boats to cross the 80-metre wide river to go to their respective destinations including Mulia Bazar and Narail district town every day.

Children, women and elderly people have to face immense sufferings while crossing the river.
