

When going for outings, one essential necessity to carry with us every time is a good snack because you never know when hunger strikes! While the perfect snack needs to be delicious, it must also be travel-friendly. Packaged snacks with a long shelf life and that can endure unfavourable weather conditions should be the right way to go about it.

## Healthy and delicious All Time Family Cake for your outings!

All Time Family Cake is the perfect snack solution here! It is tasty, delicious, and healthy, all at the same time. Apart from the large packet, it is also available as single serve cake that costs Tk 30 only. You can easily carry it in your bag, slip it in your pocket, or stuff it with other travel necessities and eat whenever you feel like it.

While going on a vacation can be fun, it may also be rushed with last-moment packing, last-minute changes in decisions, and getting done with all the preparation that goes into it. At times like these, we often tend to neglect our health or even carry sufficient food. You can simply set your woes aside by carrying All Time Family Cake.

Whether you are waiting in the train station or bus station waiting for your ride to arrive, All Time Family Cake gives you the option to avoid unhealthy snacks such as fried food and go for a healthier option, through its strong chain of availability of this flagship product under the trusted house of All Time. Not only that, if you are travelling to areas that are far away and remote, carrying this with you will not let hunger ruin your adventures.

The melt-in-your-mouth texture of this cake and the delicious aroma along with the delectable taste will remind you of a homemade cake, baked with most wholesome ingredients and automated latest technology. While All Time Family Cake tastes great as it is, you can also pair it with other food for better taste, like dipping in tea or milk.

All Time Family Cake does not have to be a snack only to be carried and consumed during waiting time, it can be a great item in your outings too, such as in gatherings with friends and family, or be the perfect addition to your picnic basket. Being ready to eat and serve makes it very versatile to make it a part of every occasion.

If you want to test your cooking skills, you can easily pull off some beginner recipes with All Time Family Cake. It makes a great base for a trifle where you can layer other ingredients on top such as custard and cream. It can also make for a great peanut butter and jam sandwich – just

swap your regular bread for the cake. Some chocolate spread smothered smoothly with sprinkles on top can make for little and easy snacks or desserts. Or, just pair it with fruits for a delicious and refreshing taste.

All Time Family Cake is an all-in-one package; apart from being healthy and delicious, it is also easy to carry and can be used to prepare other simple desserts. This cake is also available in chocolate, mixed fruit, ghee, and orange flavours under the house of All Time.
