

NATIONAL DAY of the REPUBLIC OF KOREA

MESSAGE FROM THE HONORARY CONSUL, CHATTOGRAM.

I feel highly honored to express my heartiest greetings to the people of the Republic of Korea on the auspicious occasion of their National Foundation Day on the 3rd October 2023.

The Republic of Korea and the People's Republic of Bangladesh are two friendly countries having bilateral diplomatic and trade relations since 1973. In this year we are celebrating the 50 years bilateral relationship throughout the year with colorful events.

More than 200 companies of the Republic of Korea are now operating in Bangladesh with visible success. Korean industries in the Export Processing Zones and other areas are contributing a lot in the Bangladesh economy. The two countries have the scope for further cooperation to increase trade and investment for mutual benefit in the years to come.

As the honorary consul of the Republic of Korea in Chattogram, I have been exerting my whole hearted efforts for building up a strong economic and cultural relationship between the two countries.

Once again, I would like to extend my warmest greetings to the People of Korea and the Korean Community living in Bangladesh on this solemn occasion of the National Foundation Day of Korea.

Long live Korea-Bangladesh friendship.

Mostafa Kamal
Honorary Consul
The Republic of Korea in Chattogram.

CONGRATULATORY MESSAGE

From
Chairman of Korean Community in Bangladesh

재 방글라데시 한인회

On this October 3rd, 2023, I extend my warmest congratulations to the Republic of Korea as we celebrate the National Foundation Day, Gaecheonjeol, on this auspicious day.

As Koreans across the globe commemorate the founding of the ancient state of Go Joseon by Dangun WangGeom nearly 4,356 years ago, we reflect on the enduring legacy that has made Korea one of the world's most venerable civilizations. The historical significance of this day, officially recognized as a national holiday from the year of 1909, underscores Korea's remarkable journey from its ancient roots to its status as a modern and dynamic nation.

Proudly, as a Korean, I find joy in the realization that our nation, with its rich history, has evolved into a vibrant and active contributor to the global community.

I am pleased to acknowledge the constructive bilateral relations between the People's Republic of Bangladesh and the Republic of Korea, built on mutual respect and trust. The year 2023 holds special significance, marking the 50th anniversary of diplomatic ties between our two nations. The Korean Community in Bangladesh have eagerly commemorated this milestone with various events in collaboration with the Embassy of Korea to Bangladesh and Korea Bangladesh Chamber of Commerce & Industry (KBCCI) so far this year, including the Korean Golf Tournament, K-Pop Contest, Showcase Korea, Traditional Culture Experience Event, Art Competition, and more. We sincerely appreciate the interest and participation of our readers for the events that took place. We hope to look forward for your continual support for the events that will take place in the near future.

As the Korean Community in Bangladesh, we remain committed to fostering everlasting friendship and sustained development between Korea and Bangladesh. We seek your continued interest and support for our community. Wishing all our readers enduring health and happiness, we once again extend heartfelt congratulations on the 4,356th anniversary of our National Foundation Day, celebrating with fellow Koreans in Bangladesh.

Long live Korea-Bangladesh friendship.

Yong-Oh Yu
Chairman, Korean Community in Bangladesh
