Terminal 3 unveiled: **WHAT SETS IT APART**

KEY FACTS

DESIGNER:

Renowned architect Rohani Baharin designed the three-story third terminal. Her portfolio includes Terminal 3 at Changi International Airport, Terminal 2 at Wuhan Tianhe, and several other international airports. She currently holds the position of Executive Vice President at CPGairport, part of CPG Consultants.

IMPLEMENTING ORGANIZATIONS:
Japan's Mitsubishi, Fujita and South Korea's Samsung

INAUGURATION OF THE WORK:
December 28, 2019

TOTAL COST: Tk 21,398 crore. JICA is providing Tk 16,141 crore as loan. The rest Tk 5,257 crore is provided by the Bangladesh government.
