

EXPLORING TEAM GROUP'S RMG ENTERPRISES

Team Group, a name synonymous with innovation and sustainability, has made remarkable strides in the Ready-Made Garment (RMG) industry. Starting its journey with Team Sourcing & Co. Ltd. and four RMG Manufacturing units, it has evolved into a formidable family of 20,000 employees spread across 13 business units. In this comprehensive exploration of Team Group's RMG Enterprises, we'll delve into their impressive achievements, commitment to sustainability, and the exceptional products they offer.

International export

Team Group has export destinations all over the world, including Asian countries such as China, Turkey, India, Japan, Lebanon, Singapore, and the United Arab Emirates. The company also serves North American nations such as the USA, Canada, and Mexico, as well as South American nations such as Argentina, Brazil, Chile, Colombia, and Peru.

Their largest selection of export destinations is in Europe, with countries such as Denmark, Russia, France, Germany, Greece, Holland, Italy, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, Switzerland, and the UK. Australia and New Zealand are also part of these export destinations as well.

Large family of employees

Team Group's journey began with Team Sourcing & Co. Ltd., and from there, it expanded into various RMG units. Notably, they acquired two more RMG units, Mars Stitch Limited and C.B.M. International Ltd., and ventured into the Accessories sector. Let's take a closer look at some of their prominent units.

As of June 2023, Team Group boasts a workforce of over 20,000 strong, with a large percentage stemming from the RMG factories. The headcounts for these active employees are as follows: 4A Yarn Dyeing Ltd. - 7,140; Gramtech KDFGI Ltd. - 2,900; Brothers Fashion Ltd. - 2,314; Mars Stitch Ltd. - 1,780; South End Sweater Co. Ltd. - 1,260; C.B.M International Ltd. - 1,092; Team Sourcing Co. Ltd. - 234, Team Accessories Ltd. - 134.

4A Yarn Dyeing Ltd.

4A Yarn Dyeing Ltd. stands out as a 100% export-oriented outerwear manufacturing company established in 2009. Specialising in producing high-quality outerwear garments, the company has garnered recognition for championing Sustainable Development Goals (SDGs) by receiving the Bangladesh Innovation Award in 2023. Their products include padded jackets, quilted jackets, seam-sealed jackets, down jackets, bomber jackets, ski gear, jogging suits, rainwear, casual jackets, gilets, windbreakers, and leather jackets.

What truly sets 4A Yarn Dyeing apart is its commitment to climate action. It proudly became the world's first outerwear

manufacturing factory to sign the "Fashion Industry Charter for Climate Action" under the United Nations Framework Convention on Climate Change (UNFCCC). This commitment includes reducing Carbon Emissions by 50% by 2030 and achieving 100% reduction by 2050. Their LEED Platinum certification underscores their dedication to sustainability.

GRAMTECH Knit Dyeing, Finishing & Garments Industries Ltd.

GRAMTECH Knit Dyeing, Finishing & Garments Industries Ltd. specialises in producing an array of knitted garments, including tank tops, tee shirts, serafinos, polo shirts, fleece hoodies, fleece pants, knitted sleepwear, leggings, jeggings, knitted pants and shorts, etc. Located in Narayanganj, the factory operates in compliance with regulatory bodies, local laws, and international standards such as ILO and UDHR.

Team Group, a name synonymous with innovation and sustainability, has made remarkable strides in the Ready-Made Garment (RMG) industry.

Their commitment to quality extends to their workforce, who diligently create exceptional clothing for customers worldwide. Their product range includes Tank Tops, Serafinos, Leggings, and more, catering to diverse fashion needs.

Brothers Fashion Ltd.

Based in Gazipur, Brothers Fashion Ltd. has achieved Leed Gold Certification. This unit specialises in producing top-quality Woven Tops and Bottoms, including Denims and Non-Denims. They also produce skirts, long pants, shorts, ladies' blouses, board and swim shorts, cargo pants, cargo shorts, chino, and dockers. Since its resurrection in 2009, Brothers Fashion has maintained high environmental and ethical standards, holding certifications such as ACCORD, WRAP Gold, BSCI, and more.

Their product range includes Denim Bottoms, Casual Shirts, Skirts, and various other items. Creating a conducive working environment for their employees is a top priority for the company.

Mars Stitch Ltd.

Mars Stitch Ltd. came under the group banner of Team Group in 2017, initially as a woven factory but diversifying to produce bottoms across various materials. Located in Gazipur, they prioritise employee welfare by providing medical and childcare facilities.

This unit boasts compliance with WRAP BSCI, SEDEX, OEKO-TEX, and a commitment to sustainable production practices.

Their exceptional service has garnered strong relationships with global brands such as Costco and Colin's. Their adaptability across materials makes them a valuable asset in the RMG industry. Their product lineup includes board and swim shorts, cargo pants, chino, dockers, and men's, women's and kids' long pants and shorts.

Southend Sweater Co. Ltd.

Situated in Ashulia, Dhaka, Southend Sweater Co. Ltd. is dedicated to producing flat-knit apparel for men, women, and children. Their modern machinery ensures top-notch sweater quality for customers worldwide and includes products such as pullovers, cardigans, polos, hoodies, dresses, skirts, pants, caps, mufflers, and shawls.

In addition to its certification aspirations for LEED Platinum, this company has established a strong presence in global markets, serving clients in the UK, Germany, Poland, Turkey, Latin America, India, the USA, and Italy.

CBM International

CBM International specialises in custom-made apparel and garments, shipping products worldwide. With a diverse product list ranging from shirts to ladies' blouses and bottoms, as well as shirts, skirts, and dresses, this unit ensures high-quality products made from premium raw materials.

With 1125 employees, CBM International combines craftsmanship with global reach to cater to a wide range of clients.

Team Sourcing Co. Ltd.

Team Sourcing Co. Ltd. stands as one of the largest garment-buying houses in Bangladesh, founded in 2009. Offering comprehensive services, including access

to manufacturing facilities, design teams, quality control, and compliance services, they have built trust with world-leading brands.

Team Sourcing Co. Ltd. provides services such as in-house lab, fit department, merchandising department, design & development, quality assistance, and shipping. With more than 200 skilled personnel and an extensive network of manufacturing facilities, Team Sourcing Co. Ltd. is known for its flexibility, competitive pricing, and commitment to delivering quality, regardless of order size. With more than 100 factories, Team Sourcing Co. Ltd. simultaneously provides buyers' orders to many big, medium and small-range factories by meeting the buyers' requirements with excellence.

Team Accessories Ltd.

Team Accessories Ltd., registered with the United States Green Building Council (USGBC), is a leading garment accessory manufacturer and trader in Bangladesh. Established in 2015, they produce and trade various apparel accessories, including printed tags, labels, and woven labels/tapes. Team Accessories Ltd. is now also aspiring to be a LEED-certified factory.

Their high-tech machinery ensures a substantial production capacity. An extension project at Tongi BSCIC, slated for completion in 2024, underlines their commitment to growth and innovation.

Team Group's RMG Enterprises have become a force to reckon with in the fashion industry. Their journey from humble beginnings to becoming a global player reflects their dedication to innovation, sustainability, and top-quality products. As they continue to expand and embrace sustainable practices, their influence on the RMG sector is poised to grow even stronger, making them a beacon of excellence in the industry.
