PM's Brussels visit 'significant' at a 'crucial time': Momen

UNB, Dhaka

Foreign Minister AK Abdul Momen yesterday described Prime Minister Sheikh Hasina's upcoming visit to Brussels as "extremely significant" which will help take Bangladesh's ties with the European Union to a new height.

"This is a very significant visit. This is an achievement for us," he told reporters, noting that the visit is happening at a "crucial moment."

Asked why it is a crucial time, Momen referred to the upcoming general election of Bangladesh. "We hope the visit will be very successful and fruitful."

The prime minister will be visiting Brussels from October 24-26 at the invitation of European Commission's President Ursula von der Leven.

The foreign minister said the EU will provide Euro 407 million to Bangladesh in the form of concessional loans and grants.

Of this, Euro 350 million will be concessional loans, he said

Responding to a question, the foreign minister said the EU would send a seven-member team and Bangladesh would not spend money on foreign election observers.

The prime minister will attend the Global Gateway Forum, which will bring together representatives of governments from the European Union and around the world along with the private sector, civil society, leading SEE PAGE 4 COL 3

Gas crisis in Ctg as LNG supply drops

STAFF CORRESPONDENT

Many places in Chattogram have been experiencing a severe gas shortage from 9:00am to 3:00pm for the past two days due to low gas supply from the LNG Terminal in Moheskhali, Cox's Bazar.

The status quo may persist until December, according to Karnaphuli Gas Distribution Company Limited (KGDCL) officials.

Manik Mia, a private car driver, was seen waiting for hours in a long queue at the Intraco CNG Filling Station in the Tigerpass area yesterday.

"Before coming here, I went to two other filling stations, but couldn't find gas anywhere. I experienced a similar situation on Saturday," he said.

Due to the gas supply interruption from 9:00am, residents flocked to hotels and restaurants to purchase food. Shaila Binte Hosain, a homemaker in Khulshi Residential area, said gas supply was unavailable from 9:00am to 3:00pm, and supply resumed in a limited scale afterwards.

Contacted, KGDCL General Manager Engineer Md Shafiul Alam Azam Khan said the gas supply disruption is a crisis in the current LNG stock, as result of receiving 280 million cubic

LNG Terminal in Moheshkhali, which falls short of the daily demand of 312 mmcft.

Of this, 90 mmcft gas goes to two fertiliser factories, 37 mmcft to a power plant, and 12 mmcft is allocated to filling stations. The remaining gas is utilised to meet the demands of residential areas and commercial clients.

> The gas supply disruption is a result of receiving 280 million cubic feet (mmcft) of gas per day from the LNG Terminal in Moheshkhali, which falls short of the daily demand of 312 mmcft.

Seeking anonymity, a Petro Bangla official stationed at Moheshkhali LNG Terminal, said while the terminal had been supplying 750 mmcft of gas, it has now decreased to 600 mmcft since Saturday.

This reduction is due to a slight adjustments are made to maintain a

3-WHEELERS ON HIGHWAYS Their movement stops only when I visit: Quader

BSS, Dhaka

Road Transport and Bridges Minister Obaidul Quader yesterday expressed dissatisfaction over movement of three-wheelers on highways and poor enforcement of the road safety act.

Although the court has imposed restrictions on the movement of such vehicles on 22 roads, it did not stop in most places. Their movement stops when I visit the places, he said.

Bangladesh Road Transport Authority organised the discussion at Osmani Memorial Auditorium marking National Road Safety Day.

Speaking as chief guest, Quader said many roads, constructed spending millions of taka, are being damaged for a lack of load control stations. About the next national elections, he said the

polls will be held in line with the constitution. "The election train will leave in November," he

said, adding that if BNP misses the train, it will fall behind.

No possibility of untoward incidents Says DB chief on Oct 28

STAFF CORRESPONDENT

Police do not see possibility of any untoward incidents during the political rallies of BNP and Awami League on October 28, said Harun or Rashid, chief of the Detective Branch of DMP, vesterday.

However, police will maintain a security plan considering all aspects, he said replying to a query at a press conference at DMP media centre.

There was a time, we saw only one party was allowed to hold rallies or meetings. The opposition parties could not exercise freedom of expression," he said, adding "We saw this during our student life."

"Now three or four political parties can hold large programmes in a single day and we are providing security to those programmes. No untoward situations have occurred yet," he added.

CURBING LEAD POISONING 'We must ensure public, private collaboration'

STAFF CORRESPONDENT

There must be collaborations between public and private organisations to regulate the use of lead and support safe practices to curb the menace, said speakers at an event vesterday.

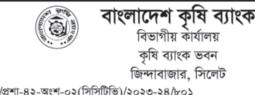

They also highlighted the role of media in raising awareness

Environment, Forest and Climate Change Ministry held the national dialogue, marking the first day of International Lead Poisoning Prevention Week.

The dialogue, organised in collaboration with Eco-Social Development Organisation (ESDO) and UNICEF, was held at the Department of Environment auditorium in the capital.

"Around 35.5 million children are affected by lead poisoning in Bangladesh. The country also witnesses 31,000 deaths from it annually," said Anwar Sadat, deputy programme manager of Planning, Monitoring and Research wing of Directorate General of Health Services.

Syed Marghub Morshed, chairperson of ESDO and Emma Brigham, deputy representative of Unicef Bangladesh, also spoke at the event.
