CHT PEACE ACCORD Activists send open letter to political parties STAFF CORRESPONDENT

Chittagong Hill Tracks Peace Implementation Movement wrote an open letter yesterday, presenting a fourpoint demand to political parties, urging them to play a role in implementing the peace accord.

Human rights activist Jakir Hossain and Dhaka University Professor Khairul Íslam Chowdhury, both joint coordinators of the CHT Implementation Movement, sent the letter.

"Almost 25 years after signing of CHT Accord, the fundamental components of the agreement remain unimplemented," the letter said.

The letter concluded with the hope that political would exert leaders pressure on the government and concerned parties to implement the CHT Accord to resolve the CHT issue.

expedite implementation, they put forth four demands: announce specific programmes in line with the seven-point demands raised by all democratic political parties in support of the CHT Implementation Accord seriously Movement, consider incorporating the seven-point demands of the CHT Peace Accord Implementation Movement into the party's election manifesto for the 2024 national elections, appoint a spokesperson and an organisational secretary responsible for issues related to indigenous peoples within the political parties and their affiliates and provide party nominations to indigenous people at all levels of local government councils, including the national parliament.

Votes being cast in the open around 12:30pm yesterday in the Jatrapur Nuraniya Hefezia Madrasa centre in Ashuganj for the Brahmanbaria-2 by polls. Awami League candidate Shahjahan Alam Saju won the by-election with 66,314 votes, defeating independent candidate Ziaul Haque Mridha, who got 37,758 votes.

Hajj airfare still very high

HAAB president sends letter to PM to further reduce it

RASHIDUL HASAN

Leaders of Hajj Agencies Association of Bangladesh (HAAB) and Association of Travel Agents of Bangladesh (ATAB) criticised the high airfare rate for hajj pilgrims, fearing that the quota of 1.27 lakh hajis from Bangladesh may not be fulfilled in the upcoming year.

They claimed Biman arbitrarily increases airfare for Hajj pilgrims to cover up its yearlong losses in order to show itself as a profitable entity.

Contacted, ATAB Secretary General Abdus Salam Aref said the fixed airfare for hajj pilgrims is three times higher than the normal rate. "In a bid to fulfil Biman's desire,

intended hajis have to bear high airfare," he added.

HAAB President M Shahadat Hossain Taslim, in a letter to Prime

Minister Sheikh Hasina on November 4. demanded that the airfare for hajj pilgrims be reduced.

HAAB said although this year's airfare has been reduced by Tk 2,997 to Tk 1,94,800, the airfare is still very high.

"As Biman is a commercial organisation, it was not fair to fix the airfare under its lone jurisdiction," the HAAB president told The Daily Star.

According to HAAB, different airlines are selling tickets for Dhaka-Jeddah-Dhaka round trip for around Tk 75,000, keeping 20 percent of seats vacant, while Biman operates hajj flights with the seats totally filled up.

The HAAB president said Biman always argues that during hajj flights, they need to operate empty flights while coming to Dhaka from Saudi Arabia, but in reality, the cost of operating SEE PAGE 4 COL 5

RU physician suspended

STAFF CORRESPONDENT, Rajshahi

Rajshahi University yesterday suspended its deputy chief physician, Dr Md Razu Ahmed, on an allegation of sexually harassing a teacher's daughter.

Prof Prodip Kumar Pandey, administrator for public relations, announced the decision at 11:30am while several hundred teachers and students were demonstrating in front of the Martyred Sved Nazrul Islam administrative building, demanding the accused's removal.

RU administration took the university's legal cell's opinion on Thursday and formed a three-member committee to investigate the allegation, Prof Prodip said while talking to this correspondent.

DENGUE OUTBREAK Death toll crosses 1,400 11 new deaths yesterday

STAFF CORRESPONDENT

The death toll from dengue this year crossed the 1,400 mark, as 11 new deaths were reported in the last 24 hours till 8:00am yesterday.

According to Directorate General of Health Services, at least 15 patients died and 2,103 others were hospitalised across the country yesterday, raising the total number of cases to 2,79,904. HM Nazmul Ahsan, associate professor at

Shaheed Suhrawardy Medical College Hospital, said there are multiple reasons for the high rate of dengue deaths this year, including virus, patient and management related factors.

Of the four types of dengue strains, Den-2 serotype is most active this year and has high severity. This is the reason why there are so many deaths this year, he said.

Around 87 percent of the patients were infected with Den-2 serotype, according to a recent study by Bangladesh Shishu Hospital and Institute, Nazmul said.

"Serotype sequence is another factor. If a patient, who was infected with one serotype earlier, gets infected again with a new serotype, then its severity will be more, especially if the second infection is from serotype-2," he said.

"Another reason is high rate of infection among high-risk groups -- elderly, infants, obese, pregnant women and patients with comorbidity like diabetics, high pressure, heart, kidney, lung and liver problems," Nazmul noted.

Additionally, many patients are coming to the hospital late, with shock syndrome. This year, we are observing many patients going into shock syndrome in just two or three days, which is unusual, he shared.

"Many patients are also coming from outside Dhaka. It takes several hours to reach the capital, during which patients do not get enough fluids. Thus, many patients collapse even before they are admitted to hospitals," Nazmul added.
