

Swechchhasebak League leader stabbed to death

STAFF CORRESPONDENT, Ctg

A Swechchhasebak League leader was stabbed to death allegedly by his rival over previous enmity in Satkania upazila of Chattogram on Tuesday night.

The deceased is Shahadat Hossain, 32, of Chhadaha union, said police. Shahadat was general secretary of Chhadaha union Swechchhasebak League, said local sources. He ran a bakery shop at Mithadighi Bazar.

Police arrested one Md Tarek, 28, over the incident.

OC Priton Sarkar of Satkania Police Station said on Tuesday night, when Shahadat was his shop, Tarek went there and they had an altercation. At one stage, Tarek stabbed Shahadat, he said, quoting locals.

Shahadat died at Satkania Upazila Health Complex.

Meanwhile, locals caught and beat Tarek before handing him over to police. Tarek is undergoing treatment at CMCH, said the OC.

Dengue claims 8 lives

STAFF CORRESPONDENT

At least eight more dengue patients died, four of them in Dhaka, during the 24 hours till yesterday.

With the new deaths, the total number of deaths rose to 1,570, of which 913 are from Dhaka, according to the DGHS. With 1,162 new cases, the total number of cases this year rose to 3,04,698, of which 2,98,950 were from Dhaka.

A total of 4,178 dengue patients are still undergoing treatment at different hospitals across the country. Among the total cases, 2,98,950 patients have already been released.

MRT police

people and ensure security with 11 cops," he said.

"We requested the IGP for additional manpower. The police chief provided some additional 306 policemen on deputation from different units," he said.

The MRT police wing chief said, "With the IGP's support, we are currently providing security to 12 metro stations but it will still be difficult for us to do so at 17 stations when the MRT will be fully operational."

"We need vehicles for operational use, but there's no financial support. Although we are arranging it internally, we have to go through a series of procedures," Jehad said.

The force has to collect their ration facilities from different units as they are working on deputation, he said. "We can't address the problem as we don't have financial authority like a separate operational unit.

We have applied to the home ministry again to get approval as a separate police unit," he said.

The PHQ sent the application on October 20 this year. "After getting the approval, we will focus on issues like manpower," said Jehadul.

at Naya Paltan," said Mahid.

Police arrested Maruf, 20, over his alleged involvement in setting fire to a bus of Basumoti Paribahan in the Pallabi II area early yesterday.

"Maruf torched the vehicle for Tk 3,000 on the directive of BNP leaders Sazzad and Jashim," said Mahid.

Besides, Rab arrested three people in Mohammadpur and Adabor for torching a bus and vandalism.

FIRE BREAKS OUT IN UPABAN EXPRESS

A fire broke out in Dhaka-bound Upaban Express waiting for departure at Sylhet Railway Station at 9:30pm last night.

Seventeen seats of an AC compartment were completely burnt due to the fire. No one was injured in the incident.

Titop Sikder, warehouse inspector of Sylhet South Fire Station, said, "Being informed, two fire engines went to the station at 9:35pm. Reaching the spot, we saw that the compartment was burning from inside while the station staff kept the fire under control. Soon we doused the blaze."

"Except the carriage, no other compartments were damaged. We are investigating the matter," he said.

Railway officials and railway police could not be contacted for comments.

Cops want CCTV, scanners

FROM PAGE 3

backpacks, posing a challenge to security checks.

"We are conducting random checks on suspected backpacks, as it is impractical to inspect every individual," Jehad said.

Mohammad Abdur Rouf, DMTCL company secretary, said a proposal was given for baggage scanners. "We have kept the proposal under consideration," he said yesterday.

Rouf, however, said it is non-alignment with the idea of metro rail, where people take the train swiftly to reach their destination.

"It will take hours if we start checking luggage by a

scanner," he said, claiming there is no instance of scanners at metro stations worldwide.

However, a report published in "The Times of India" in 2018, showed baggage scanners were installed at Delhi metro stations.

Regarding CCTV, DIG Jehad said, "We want to keep every spot of the stations under surveillance. Once installed, CCTV will be connected to a central monitoring centre. We have also planned to connect body-worn cameras with the monitoring centre, so that we can see what is happening in front of our on-duty members..." he said.

"Until CCTV installation,

we are coordinating with DMP to ensure outside and ground security of MRT stations," he said.

"We have ensured deployment in all MRT stations. During rush hour, around 11 members ensure security. But in offline periods, when the metro is not operational, four members remain on duty to ensure security," he said.

Rouf also said they have held meetings with different law enforcement agencies regarding CCTV.

Meanwhile, DMTCL, in a circular, said no passenger will be allowed to carry flammable objects on trains, in stations, or other metro rail projects.

and reduce antibiotic usage to promote a healthy life."

He stressing the need for increased research and laboratory facilities.

Prof Abul Bashar Mohammad Khurshid Alam, director general of DGHS, urged everyone to adhere to infection prevention practises. "Solely relying on antibiotic use would not prevent the rapid increase of AMR. A collective effort is required for that," he said.

Meerjady Sabrina Flora, director of National Institute

of Preventive and Social Medicine, highlighted the need to refrain from prescribing antibiotics without proper tests.

She urged the authorities, including the Drug Administration, to take measures to curb the aggressive marketing tactics employed by pharmaceutical companies that encourage the indiscriminate prescription of antibiotics.
