PINK PERFECT

Picture her in a resplendent pastel pink sari from Nobo Dhaka, accessorised with exquisite jewellery straight from Amisheé, along with rocking sleek flair pants with a statement crop top. This is what she wore on the day of the photoshoot.

Farin's wardrobe is a canvas, and she is an avant-garde artist, painting with a palette that spans the rich hues of tradition and the contemporary strokes of global vogue. But who can forget her minimalistic bridal look, adorned in a mesmerising Jamdani sari crafted by Nobo Dhaka?

"I had put my trust in Nobo Dhaka to make my wedding sari and I am more than happy with the outcome as the sari came out the way I had dreamt of. Overall, everything worked out well, and I am grateful for the effort," Farin answered.

Our conversation concluded as she was wrapping up her photoshoot for Star Lifestyle – nevertheless, we are certain that as she continues to tread the fine line between tradition and contemporary chic, Tasnia Farin will not only prove herself to be a brilliant actor but also a fashion force to be reckoned with.
