PRECISION AT EVERY LEVEL

DIVER 300M
Co-Axial Master Chronometer

The Seamaster has served every kind of ocean adventurer from solo free divers to entire racing yacht crews. Continuing this fine tradition is the 42 mm Seamaster Diver 300M in steel, available on a matching bracelet or blue rubber strap. Crafted with a special seahorse logo on the caseback, it features a new wave-pattern dial in Summer Blue, varnished with a gradient finish to reflect its stated water resistance of 300M. We celebrate our oceangoing icon, with a promise to keep defying the depths and delivering new levels of precision.
