PRECISION AT EVERY LEVEL

DIVER 300M
Co-Axial Master Chronometer

The Seamaster has carved every kind of ocean adventure from calm seas to extraordinary yacht races. Continuing this tradition is the 42mm Seamaster Diver 300M in steel, available as a matching bracelet or with rubber strap. Crafted with a special technical logo on the bezel, it features a new watch-pattern dial in Summer Blue, enriched with a gradient finish to reflect its tested water resistance of 300M. Its extraordinary engineering story, with its promise to keep defying the depths and delivering new levels of precision.
