

Boo Boo World: Where fun knows no bounds!

Step into the vibrant space of Boo Boo World, where adventure and excitement await around every corner! Nestled in the heart of Chattogram, on the 4th and 5th floor of CPDL J M Levante in the Jamal Khan area, this magical entertainment club is every child's dream destination. Since its inception in 2019 by the visionary minds at CPDL, Boo Boo World has been a beacon of joy, welcoming over a thousand children and teenagers daily to experience the thrill of a lifetime.

Sharing the thought behind the initiative, Engr Iftekhar Hosen, President of CPDL Family and Founder of Boo Boo World, explained, "CPDL always tries to understand basic human problems and generate a solution that fits all. Being a part of the real estate world, in the growing scarcity of land, we have always felt that there aren't many recreational opportunities for kids. Hundreds of properties are built and handed over every year, and not too many have a proper solution for kids' engagement. Addressing this crisis, we were planning to create a space where our children would come and open up, socialise, get engaged confidently, and build up skill sets through recreation and interactions. By doing this, we can help our kids grow up and prepare them for the challenging world ahead, confidently and creatively."

To test the viability of this idea, they launched the Boo Boo World as the first-ever social club for kids in Bangladesh at Jamal Khan, Chattogram.

With an array of 25 indoor games and rides, Boo Boo World is a playground like no other. From pulse-pounding virtual reality games to mind-bending puzzle rooms, there's something for every taste
