# JACKETS

## for all seasons including winter

When shopping for fashionable winter outerwear, you will have a multitude of choices and it can be hard to choose the right jacket or coat to go with your style and comfort.

Although winters in Dhaka are usually mild, it does not mean we cannot experiment with fashionwear suited for harsher climates. Are you not sure what to buy yet? Don't worry. We have you covered!

### Suede jackets

A suede jacket is an undeniable fashion statement that should be part of your closet. Because of its insulating properties, suede pairs well with a variety of winter sweaters and spring T-shirts. You may get them in several colours, including brown, tan, green, and black to mix and match with the clothes in your wardrobe.

When it comes to men's fashion, matching a brown suede jacket with a

checked shirt and jeans that are tailored to fit snugly produces a striking contrast. To get a classy image, women might opt to wear suede coats with turtlenecks that are either off-white or white in colour and pair them up with wide-leg slacks.

### Wool overcoats

Wool is a great choice as it is flexible, long-lasting, and moisture-resistant. A wool and cashmere blend coat will keep you warm even on the chilliest winter days while giving you an elegant, refined appearance. You can have a few overcoats in neutral colours like black and grey on hand; they will work with anything.

In order to get a classic and sophisticated appearance, men can wear
