Misappropriation of govt land?

Pvt company starts project without approval, everyone except CCC mayor unaware

ARUN BIKASH DEY, Chattogram

Miracle Miles International, a private company, has taken it upon itself to start a project to beautify a prime location beside Chawkbazar-Muradpur Road in Panchlaish area of the port city.

It was all well and good till then. But the real "miracle" is the fact that the venture has kicked off without signing any agreements with Chattogram City Corporation or obtaining necessary permissions from the Chattogram Development Authority.

The land is owned by the Public Works Department. Needless to say, their permission was not taken either.

The only person within CCC that this reporter spoke to who was aware of the development was Mayor Rezaul Karim Chowdhury himself.

Sources inside CCC and CDA hint at the involvement of influential CCC officials in what they are calling an "eyebrow-raising" act of "misappropriation of government

Visiting the area recently, by the side of a busy road opposite to Katalganj Petrol Pump, it was seen that some of the structures were already put up while construction work was ongoing

Omar Faruk, the company's head of operations, said they would build walkways, passenger shed, public toilet, gymnasium, kids' zone, game zone, Bangabandhu Corner, library, and murals of former mayors, among other establishments.

The works started in October and will be completed in six months, he said, adding that the company would be in charge of the constructed sites.

The library, kids' zone, and gymnasium will have free access, while a nominal payment will be needed for the gaming zone and public toilet, said Faruk.

However, CCC sources say a restaurant and pharmacy are also being built there.
