of dissemination. We charge 100 Taka per subject per month.”

Online learning platforms offer a range of benefits that make education more accessible in ways beyond geographical

barriers and direct costs. This is clearly illustrated in AM Fahad’s experience, a recent HSC graduate who used online learning platforms as a substitute for coaching centres. “My school was very far from home. Most online platforms covered everything I needed to prepare

for my exams, therefore I didn’t have to look for private tutors or coaching classes. This approach made education more accessible to me both economically and in terms of time saved from commuting.
