

NEVER-ENDING DEATHS ON ROADS

LALMONIRHAT-BURIMARI HIGHWAY

A 100km long death trap?

S DILIP ROY, Lalmonirhat

The 100-kilometre-long Lalmonirhat-Burimari Highway has become highly dangerous for vehicular movement.

In the last year since March 2023, a total of 43 accidents occurred on the highway, leaving 24 people dead and 48 injured, according to sources at police stations and police control room.

According to officials of Roads and Highways Department, the road — constructed in 1988 connecting Lalmonirhat town with Burimari Land Port, and declared as part of the national highway in 1989 — should be at 10.3-metre wide. However, being only 5.5-metre wide, the road is not spacious enough for the 3,000 vehicles — including goods-laden trucks and passenger buses — plying it daily, said the officials.

Also, with as many as 84 turns and nine railway crossings, the highway seems more like a death trap for people travelling on it.

In the last year since March 2023, a total of 43 accidents occurred on the highway, leaving 24 people dead and 48 injured.

All the railway crossings have gates and gatemen, while four pairs of trains move on Lalmonirhat-Burimari route daily, causing traffic congestion at all the crossings eight times a day.

"I drive trucks on highways across the country, but I haven't seen so many turnings, railway crossings and lack of space on any other highway. We use this route for transporting

goods to and from Burimari Land Port," said Ataur Rahman, 50.

"It takes three and half hours to cross the highways. If there were not so many turnings and level crossings, it would have taken at least an hour less," said Shariful Islam, 48, a truck driver from Lalmonirhat town.

"Driving overloaded vehicles on the road is extremely risky and often accidents happen, especially when two vehicles are crossing the road at the same time," he added.

Mansur Ali, 45, a bus driver from Dhaka, and Akkas Hossain, 50, a resident of Kaliganj upazila of Lalmonirhat who rides motorcycle on the road for commute, echoed the same.

"No other highway in the country has so many turns and level crossings. It is also much less spacious compared to other highways as per design. Due to this it is quite risky for vehicular movement. We have plans to widen the road," said Khalid Saifullah Sardar, executive engineer of RHD in Lalmonirhat.

Seven killed, two injured

STAR REPORT

At least seven people were killed and two others injured in road accidents in four districts in the last two days, according to reports from our correspondents.

In Natore, three people including two brothers were killed and another was injured when a truck hit a battery-run auto-rickshaw at Durgapur Bazar in Singra upazila yesterday, said Md Akhtaruzzaman, an assistant superintendent of police.

The deceased — Hosne Ara Begum, 38, Imran Hossain, 19, and his brother Rabbi Hossain, 15, who was driving the auto-rickshaw — were from Bankura village.

Locals caught the driver and helper of the truck and handed them over to police.

In Gazipur, a CNG-run auto-rickshaw passenger was killed as the vehicle collided with a lorry at Dhaladia in Sreepur yesterday. The deceased could not be identified immediately, said police.

In Munshiganj, a motorcyclist named Abul Hasan Sheikh, 26, was killed in a car-motorcycle collision on Dhaka-Mawa expressway yesterday.

Legal actions are in progress, said In-charge of Hasara Highway Police Station Kanchan Kumar.

In Mymensingh, two motorcyclists, Sirajul Islam, 40, and Mosharrar Hossain, 21, were killed and another was injured in a head-on collision with a private car on Mymensingh-Dhobaura road on Sunday night, said police.

PRICE HIKE

Govt hostage to syndicate: GM Quader

OUR CORRESPONDENT, Dinaajpur

The government has failed to control the price hike of essentials, said Jatiyo Party Chairman and Leader of the Opposition GM Quader, adding that the government itself has become a hostage to the syndicate.

He made the remarks while talking to journalists in Rangpur yesterday.

"Most of the country's products are import-dependent. Many businessmen in the country do not have the ability to import, only businessmen with money can do so, and many are taking this opportunity. Also, most of those who are involved in importing from outside are at the government's policy-making level. This has already formed a syndicate," said GM Quader.

All these have caused the government to be hostage to the syndicate, he said.

"The government can not control the price hike now, even if it wants to. Without competition among traders, it is not possible to control the market," he added.

Regarding JP's recent crisis, GM Quader said those who are involved with the split in JP are outsiders. Kongkon Karmaker, Monday, 11 March 2024

Health services should reach the marginalised

Says Samanta Lal Sen

STAR REPORT

Health services should reach marginalised people to lessen the mounting pressure on public hospitals, said health and family welfare minister Samanta Lal Sen yesterday.

He was talking to reporters after visiting Rajshahi Medical College Hospital as part of his countrywide tour to monitor health care facilities across the country, particularly at public hospitals.

Swechchhasebak Dal leader's body recovered

OUR CORRESPONDENT, Lalmonirhat

Police recovered the body of a local Swechchhasebak Dal leader at Nizpara village of Mahendranagar union in Lalmonirhat Sadar upazila yesterday morning.

The deceased Ferdous Ahmed, 40, was a resident of Anandabazar area of Khuniagach union in the upazila. He was the president of Khuniagach union unit of Swechchhasebak Dal, a volunteer front of the BNP.

Around 7:00am yesterday, locals found his body lying beside a road adjacent to Nizpara Government Primary School in the area, said Lalmonirhat Sadar Police Station Officer-in-Charge (OC) Omar Faruk.

"Primarily, it is suspected that he was strangled to death. The cause of his death will be confirmed after autopsy," he added.

Police sent the body to Lalmonirhat Sadar Hospital morgue for autopsy.

The victim's family members said Ferdous left the house on Sunday morning to participate in a programme of his party. But his mobile phone was switched off since that afternoon.

Convocation of DIU held

Daffodil International University (DIU) held its 11th convocation on March 10, 2024 at Swadhinata Sommelion Kendra of the university at Daffodil Smart City, Birulia of Savar, Dhaka said a press release.

Education Minister Mohibul Hassan Chowdhury presided over the convocation ceremony and conferred the degrees.

Prof. Franco Gandolfi, Professor of Leadership, Georgetown University, USA attended as the convocation speaker. Prof. Dr. Mohammed Alamgir, Chairman of the University Grants Commission (Additional Charge) was present as the special guest.

Dr. Md. Sabur Khan, Chairman, Board of Trustees, Prof. M Lutfar Rahman, vice chancellor of the university spoke on the occasion. A total of 6,284 students have been conferred upon graduation and post-graduation degrees. Among them, 12 were awarded "Gold Medal" in different categories of Chancellor's, Chairman BoT and Vice Chancellor's Award, based on their outstanding results.

Calls to save Sakha Borak fall on deaf ears

MINTU DESHWARA

Years of reckless illegal encroachment and indiscriminate pollution have left Sakha Borak river in Nabiganj upazila of Habiganj practically on deathbed.

Once a vibrant lifeline to the residents of Nabiganj, the river is now shrunken to resemble a narrow drain, while being used to dump wastes collected from the municipality.

Local residents from all walks of life have long been calling upon the authorities concerned for urgent steps to clean the river and restore its flow to rejuvenate it to former glory. The authorities, however, seem to have turned a deaf ear to their calls.

"Even 15 years back, boats carrying 500 maunds of cargo, including paddy, bricks, sand and bamboo, used to float in the river. It also drained away rainwater during monsoon. Now, the river is no

longer navigable, and has become a dumping ground for wastes from the municipality's household and kitchen markets' wastes, while becoming a shrunken drain due to encroachment," said Rahim Uddin, 70, a local resident.

Following orders of the then deputy commissioner of Habiganj Kamrul Hasan in March 2020, the

upazila administration, along with the Bangladesh Water Development Board and upazila land office, took initiative to evict the river's encroachers and 101 illegal establishments were identified, said Sony Chowdhury, former secretary of Nabiganj Press Club.

"It was a ray of hope for the

Holding movements in Ramadan will hurt BNP Says Quader

STAFF CORRESPONDENT

BNP will become more isolated from people if the party continues staging its political movements during Ramadan, Awami League General Secretary Obaidul Quader said yesterday.

BNP's public support will continuously decrease in that case, Quader told reporters after a meeting of AL secretaries at its central office on Bangabandhu Avenue.

Regarding commodity prices, Quader said the government is very careful and making all-out efforts to keep the prices under control, within the purchasing power of everyone.

"Even in the context of global crisis, the price of fuel has already been reduced. That did not happen during BNP rule. They can only increase the price," he said.

He also reiterated the government's strong position regarding the perpetrators of violence in the Supreme Court Bar elections.

He said if any crimes and misdeeds are committed under the watch of the government and if the

Science and Technology (NST) Fellowship" and special research donations among teachers, scientists, researchers and students of different universities.

The Ministry of Science and Technology arranged the event at the Prime Minister's Office.

"The people of the country need to be healthy and strong to be meritorious and to flourish their talents. For that, importance has to be given to medical research," she also said.

Correction

In a report headlined "Convocation of DIU held" published in The Daily Star on March 11, it was mistakenly mentioned that lawmaker Dipu Moni spoke on the occasion. Actually, she was not present at the programme. We regret the mistake.
