Teacher accused of shooting student says collecting firearms was his hobby

OUR CORRESPONDENT, Pabna

Rayhan Sharif, a medical college teacher currently in jail for shooting his student, said collecting firearms was his hobby. The law

ege ittly ing aid ms aw sed

enforcers disclosed this information to journalists yesterday after questioning Rayhan during a fiveday remand.

During interrogations, Rayhan said he collected two firearms from a dealer in Kushtia last year after being influenced by Hindi films.

"We learnt about an arms dealer in Kushtia while interrogating Rayhan. We are trying to arrest him," said Md Julhas Uddin, inspector of Sirajganj DB police.

A court sent Sharif, a teacher at Shaheed M Monsur Ali Medical College in Sirajganj, to jail yesterday afternoon following a five-day remand. Last Monday, Rayhan opened fire

during a viva exam, leaving Arafat Amin Tamal, a third-year student, injured. Arafat was admitted to the college hospital with a bullet wound in his right thigh.

After the incident, police seized two foreign-made pistols, 81 rounds of bullets, and 12 sharp weapons from the teacher's possession.

It is a common sight to see New Market buzzing with crowds on a Friday. With Ramadan underway and Eid approaching, many are flocking to the market early to get their festival shopping done. The photo was taken yesterday.

HEALTH COMPLEX Underconstruction roof collapses

OUR CORRESPONDENT, Patuakhali

The under-construction roof of the balcony of Rangabali Upazila Health Complex in Patuakhali collapsed on Thursday evening.

No one was hurt, said officials concerned.

"The roof's casting work began on Thursday morning, but it suddenly collapsed around 7:00pm due to negligence of workers," said Rahat Hossain, supervisor of Prime Constructions, which is implementing the work under the government's Health Engineering Department (HED).

"After our monitoring team left in the evening, the workers continued the work in their absence, violating rules," said Md Altaf Hossain, executive engineer of HED in Patuakhali.

The construction firm will be issued a letter seeking explanation, he added.

A probe body formed in this regard was asked to submit report within 3 working days, said Rangabali UNO Mizanur Rahman.

The identity of two of the five injured students could be known till the time of filing this report. They are Shahadat Hossain and Maisha Tasnim — of Public Administration department.

Sources said the clash started around 3.00pm when a group of locals attacked two students near the rail crossing area, leaving them injured on the spot.

Later, they beat two other students around 4.00pm in the same area.

Talking to reporters, Sourav Saha Joy, assistant proctor of the CU, said, "They [locals] attacked our students following a recent incident. We are working to bring the situation under control."

Following the attacks, CFC, a faction of CU unit Bangladesh Chhatra League, gathered at the zeropoint area and locked the main gate of the campus demanding punishment for the attackers. Meanwhile, locals took up positions in the rail

crossing and gate no 1 area. They also blocked Hathazari road for around an hour demanding punishment for the accused students.

The local protesters also urged other people to

The local protesters also urged other people to gather in the area using a loudspeaker.

"A group of locals have beaten CU students without any reason. They earlier beat students but authorities concerned have yet to take any action against them," Mirza Sadaf Kabir, a leader of CFC, told reporters.

Bakhtiar Uddin, a protester, said they were carrying out the blockade programme peacefully and didn't attack anyone.

On Tuesday, four were injured and a shop was vandalized after a clash broke out between locals and students due to an argument.

Since then, a conflict has developed between the two groups.

Meanwhile, additional police have been deployed on the campus to control the situation, said proctor Sourav.
