

Bangladesh will be role model for others Says religious affairs minister on Hajj management

STAFF CORRESPONDENT

The government is trying to make Bangladesh's hajj management a role model in the world, said Religious Affairs Minister Faridul Haque Khan yesterday.

The minister said this during a discussion and iftar ceremony organised by Hajj Agencies Association of Bangladesh (HAAB) at Dhaka Officers Club.

The minister said the government is determined to take all possible steps for the welfare of hajj pilgrims.

Faridul also said if there are any weaknesses in the hajj management, the government will identify and resolve them.

The minister said many positive changes have occurred in Hajj management over the years.

"Hajj and Umrah management policies and regulations have been formulated. E-Hajj management has been launched. Bangladesh Plaza has been established at Jeddah Hajj Terminal. A record 13.90 lakh pilgrims have performed Hajj in the last 15 years," he said.

HAAB President M Shahadat Hossain Taslim, Additional Secretary of Hajj Division of the Ministry of Religious Affairs Md. Motiul Islam, and HAAB Secretary General Farooq Ahmed Sardar, among others, also spoke at the programme.

Youth for Bangladesh organised an iftar sharing programme for underprivileged children at Orchard Convention Hall in Dhanmondi-7, Dhaka yesterday, celebrating its 15th anniversary. More than 1,000 children participated in the iftar.

Rain offers brief respite, but affects commute

UNB, Dhaka

Dhaka residents experienced a welcome break from the persistent heat yesterday afternoon as light rainfall swept through the city, offering a cool reprieve.

The Bangladesh Meteorological Department (BMD) recorded a modest one millimetre of rainfall from 3:15pm to 6:00pm, according to meteorologist AKM Nazmul Haque.

Haque said that March through May is the pre-monsoon season, a time when approximately 18% of the annual rainfall occurs.

"Light to moderate rains are expected to continue over the next three days," he added.

However, pedestrians and commuters faced challenges as parts of roads and sidewalks were flooded, complicating travel plans.

Eight years on, still no justice for Tonu

KHALID BIN NAZRUL

Eight years have passed since the murder of Sohagi Jahan Tonu, yet there has been little to no progress in the probe, frustrating the victim's family.

Law enforcement agencies have failed to make a single arrest to date, despite four different agencies investigating the case. They have even failed to submit a probe report.

Already, 48 dates have passed by in the Cumilla Sadar court. Court Inspector Mozibur Rahman told

The Daily Star, "PIB Dhaka is now investigating the case. The next [court] date is March 28, 2024.

Tonu, a student of Cumilla Victoria Government College and a theatre activist, was raped and murdered inside Cumilla Cantonment on March 20, 2016.

The incident had sparked protests across the country, yet no trial has taken place even after eight years.

In May 2016, two autopsies were conducted at Cumilla Medical College Hospital but could not

determine the "cause of her death."

CID officials could only confirm through DNA tests that Tonu had been raped before being murdered.

Spermatozoa of three unidentified persons was found on her clothes, which did not match the samples of any suspects, investigators said.

Since September 2020, the Police Bureau of Investigation has been probing the murder as per the decision of Police Headquarters.

DEATHS OF 6 OF A FAMILY Locals block Sylhet-Tamabil highway

OUR CORRESPONDENT, Sylhet

Several hundred people blocked Sylhet-Tamabil highway in Sylhet's Jaintiapur upazila yesterday morning protesting the deaths of six members of a family in an accident on the road.

They gathered around 10:00am, demanding public apologies from transport owners and workers for the accident, and insisted that vehicles without licenses or goods would not be permitted on the highway.

Due to the blockade, there was a long tailback of vehicles on both sides of the highway. Protesters however allowed emergency service vehicles to go through.

The crowd lifted the blockade at 2:30pm following requests of police, said Officer-in-Charge of Tajul Islam Jaintiapur Police Station.

Sheikh Radek, a local who has been leading the blockade, said, "The highway has become a death trap. We demand a safe highway."

Six of a family, including two children, were killed and several others injured in a head-on collision between a human hauler and a lorry in Darbasta area on the highway at Jaintiapur on Monday morning.

15 skeletons missing from Pabna graveyard

OUR CORRESPONDENT, Pabna

At least 15 skeletons went missing from graves at the Khas Aminpur Central Graveyard in Pabna's Aminpur area.

Family members and relatives rushed to the graveyard yesterday morning, prompting deployment of additional police personnel in the area.

"I went to hold prayer for my relative at the graveyard on Tuesday morning. I was surprised to find the grave opened with no skeleton in it," said Masud Rana, a local resident.

Md Harunur Rashid, officer-in-charge of Aminpur Police Station, said police are investigating.

“The whole world is waiting to see the killer punished. We want justice for my daughter. But there is rarely any justice for the poor.”
