HALLA KEBAB (EGYPTIAN BRAISED BEEF AND ONIONS)

Halla kebab is a signature Egyptian dish that makes an appearance at many celebrations. It consists of tender beef braised in a velvety sauce of caramelised onions. The word kebab might make you think of charred, sizzling skewers of minced meat over a ranging fire spit, but Halla kebab is

an iconic Egyptian dish of braised beef and onions.

Ingredients

- 1 kg boneless beef chuck, trimmed and cut into 1-inch cubes
- ½ kg onions
- 1 tbsp ginger-garlic paste
- 2 tbsp ghee
- 2 bay leaves
- ½ tsp salt

- 125ml water
- 2 tbsp fried onions
- 1 tbsp coriander leaves
- 1 tbsp seven spice mix powder (Coriander seeds, cumin seeds, cinnamon sticks, cloves, cardamoms, and nutmeg)
- Freshly ground black pepper, as required

Method

Peel the onions. Then halve and slice them, but not too thin. Grind the seven-spice mix and keep it aside. Heat ghee in a Dutch oven or slow cooker and brown the beef all over for about 3 minutes on each side. Add the onions, ginger-garlic paste, cumin paste, bay leaves, and salt. Stir and bring to a simmer. Then reduce the heat, as we

didn't add any water. Cover and cook for 30 minutes.

After 30 minutes, stir it, and add water. Add seven-spices mix and stir. Bring it back to a simmer, cover and cook for another 45 minutes, or until the beef is cooked and is fork tender. Check seasoning and sprinkle freshly ground black pepper. Garnish with fried onions and coriander leaves. Serve hot.

NAMOURA

Namoura is a delicious, semolina-based, Lebanese dessert that is rich, juicy, and decadent. It is popular in the Middle East. Semolina cake is soaked in a rose syrup, flavoured syrup to make this amazing sweet treat. It is crispy on the outside, and soft and creamy on the inside. Traditionally, it is served in small slices as it is a rich delicacy.

Ingredients

For the semolina cake —

- 1 cup plain yoghurt, preferably whole milk
- 3 cups semolina flour
- 1 tsp baking powder
- 1 tsp baking soda
- ¾ cup sugar
- ¾ cup unsalted butter, melted. Plus, more for coating the pan
- ¼ cup slivered or whole almonds
- 1 tbsp rose water or orange blossom

Method

For the sugar syrup —

In a saucepan, combine sugar and water over medium-high heat. Stir well. Bring mixture to a boil. Add lemon juice. Lower heat to medium-low and simmer for 10 minutes. Remove the syrup from heat, add rose water and mix well. Set aside and let it completely cool down before topping the Namoura.

To make the Namoura cake —

Preheat oven to 180° C, and line a non-stick half-sheet pan (17-inch x 11-inch) with parchment paper. Grease the parchment paper sheet with ghee and keep it aside.

In a large size bowl, whisk together the semolina, sugar, baking powder, and baking soda. Stir in the butter, rose water, or orange blossom and yoghurt until combined. Transfer the batter to the prepared pan, wet your hands with a little water and spread it out evenly. Score the batter into 1-inch square or diamond shapes with the butter knife and place 1 raw almond in the centre of each diamond.

Bake for 30 minutes or until the sides and top are golden brown. Remove from oven and pour sugar syrup evenly all over the sheet cake, immediately. Cut the cake along the lines that were scored. Let the cake come to room temperature to absorb the syrup before serving. Enjoy!
