

## Legacy

Prime Bank was founded in 1995. Since then, our contribution to the banking sector has been unprecedented. We have grown to establish an evolved identity. Having served for almost three decades, we promise to continue to provide the same level of dedication heading into the future.

## Innovation

For 29 years, Prime Bank has continuously introduced innovative financial products to serve a diverse base of customers. Our innovations have contributed to the development of the nation and its economic identity.

## Performance

29 years of sheer consistency and legacy have ensured our status as a top performing banking institution. We are committed towards upholding the position. Our customers' trust and confidence will inspire us to keep moving forward.

## Sustainability

Prime Bank prioritizes sustainable growth by fostering Green Finance while remaining committed to social responsibility, community engagement, and delivering long-term value for shareholders.

**EMPOWERING  
TOMORROW**

## 29 Years of Empowering Tomorrow.

Prime Bank embarks on another year of innovative and reliable banking service excellence. Our commitment to financial inclusion and sustainable banking distinguishes us. With a brighter future ahead, we aim to fortify the country's economy and help empower customers for a better tomorrow.
