

GM Quader should clarify why JP took part in polls

Says Obaidul Quader

BSS, Dhaka

Awami League General Secretary Obaidul Quader yesterday said BNP should be ashamed of Pakistan Prime Minister's remarks over the development of Bangladesh.

"BNP leaders cannot witness the country's development as they have black glasses on," he said after paying tribute to Sheikh Jamal on his 71st birthday at Banani graveyard.

Noting that BNP has a friendship with Pakistan, Quader said though Pakistan can see Bangladesh progress, BNP cannot.

In response to a comment of Jatiyo Party Chairman GM Quader that there was pressure on the party to take part in the national polls, Quader said JP was not born in a democratic way.

GM Quader himself should clarify under whose pressure and why they took part in the elections, he said.

'It's a move to hide graft'

Rizvi about BB restrictions on journos

UNB, Dhaka

The move to restrict journalists' access to Bangladesh Bank offices was made to hide the corruption of Awami League MPs and their close associates, alleged BNP Senior Joint Secretary General Ruhul Kabir Rizvi yesterday.

Speaking at a demonstration, he said, "Journalists have now been restricted from entering the Bangladesh Bank so that they can't divulge information about looting and corruption. Because criminals always want to hide their sins," he said.

A group of former lenders and members of Jatiyabadi Chhatra Dal and Swachhasebak Dal staged the demonstration in front of BNP's Nayapalton central office demanding the unconditional release of BNP chairperson Khaleda Zia and party leaders.

Mezbaul Haque, spokesperson of Bangladesh Bank, announced on Thursday that journalists will now require a specific permit to visit its building.

Celebration at cost of students' health?

Over 600 students, teachers made to participate in procession amid heatwave

OUR CORRESPONDENT,
Manikganj

Despite ongoing heat alerts, schools and colleges across the country opened their doors yesterday after a long vacation extended due to the scorching heat wave engulfing the nation.

While it was difficult for many students to return to school amid the hot spells, it was particularly worse for over 600 teachers and students from technical institutions in Manikganj, who were made to do an over one-hour long procession under the blazing sun -- all in the name of Technical and

Vocational Education Week. Mentionable, such rallies also took place in Rajshahi and Bhola among other places, although in a much limited scale.

With temperatures still hovering at record highs, critics are questioning if this "celebration" was worth putting children's health at risk. "Couldn't an alternative

have been found?" they asked. Conscientious citizens are calling it "cruelty to children".

The procession began around 8:30am and reached the deputy commissioner's office premises at 9:30am. After 15 minutes, Additional Deputy Commissioner (ICT & Education) Shukla Sarker formally inaugurated the programme.

Two held over rape of woman

OUR CORRESPONDENT, M'singh

Police arrested two persons in Gouripur, Mymensingh on Saturday on charge of raping a woman and abetting the crime.

Later, a Mymensingh court sent the accused -- Appel Mia, 38, and his sister-in-law Beauty Akter, 40 -- to jail when they were produced before it yesterday, said Sumon Chandra Roy, officer-in-charge of Gouripur Police Station.

A 20-year-old woman filed a rape case with the police station accusing four persons -- including the two arrestees -- on Saturday afternoon.

The woman's mother and Beauty work at a garment factory in Gazipur, said police.

The 20-year-old, also a garment worker, went to visit Beauty's home on Friday afternoon, said the OC, citing the case statement. In the early hours of Saturday, three youths -- including Appel -- raped her. On Saturday morning, Appel and Beauty took the woman to the police station and forced her to file a rape case against three people, all of whom were their neighbours.

On suspicion, police started interrogating them and found that there has been a longstanding dispute over a piece of land between Beauty and one of the neighbours.

Police then arrested Appel and Beauty.

They are trying to arrest the other accused, said the OC. The woman was sent to a hospital for medical test, he added.

Ease labour-sending process

Baira urges government

STAFF CORRESPONDENT

Bangladesh needs to ease the labour-sending process alongside upskilling its workforce to compete in international labour market, Ali Haider Chowdhury, secretary general of Bangladesh Association of International Recruiting Agencies (Baira), said yesterday.

Labour-sending countries like India, Pakistan, and Nepal, which are Bangladesh's competitors, can send their workers abroad within three to four weeks, while workers from Bangladesh cannot migrate even in three months because of legal tangles, said Haider while addressing a dialogue at Baira office in the capital.

Baira, along with Warbe Development Foundation and Bangladesh Parliamentarians' Caucus on Migration and Development, held the dialogue on "Ensuring Fair and Ethical
