Bangladesh Paint Industry

COLOURING PROGRESS

PRIYAM PAUL

The paints and coatings industry in Bangladesh has made significant contributions to both the housing and industrial sectors, despite facing inherent challenges. This industry primarily enhances the decorative aspects of buildings while also providing essential protective measures. Over the decades, it has generated numerous job opportunities, thereby bolstering the economy.

An advertisement for Berger Female Painting Service. It shows a group of seven women standing in a room with yellow walls. One woman on the left is taking a selfie with her smartphone. The other women are wearing green aprons over their traditional attire. The Berger logo is in the top right corner. Large Bengali text 'বড় হোক মুক্তি' is on the left. A red call button with the number '16804' is at the bottom center. The service name 'বর্ণনা FEMALE PAINTING SERVICE' is at the bottom right.

বড় হোক মুক্তি

বাজার নিয়ে এলো "বর্ণনা" Female Painting Service এবার নারী পেইন্টারদের হাতে রাঙুক আপনার ঘর। রঙের দিনটি হোক স্বস্তিময়।
